## PRESIDENT'S MESSAGE

### Larry Crosbie

I want to begin this month thanking Ron Best for conducting last month's meeting in my absence. Also, thanks to Bruce Hazelton and others whose hard work made the garage tour possible. During the garage tour I was with my 1969 Corvette in the Museum with my family and friends celebrating the 40<sup>th</sup> anniversary of the Corvette ownership. It has been a good ride!

Now for some serious business: I want everyone to do their best rain dance so we can get the burn ban lifted before the Club outing planned by Danny & Patti Sublett. Without a bonfire, it just wouldn't be the same.

Finally, please consider calling Sheila Best if you are concerned about the future of our Club. Sheila will record the names of any member willing to serve as either President or Vice President next year. To date, we have had 18 nominations but zero acceptances for either position. The President's job requires only 6-8 hours per month of effort. It doesn't require any special skills (if it did, I couldn't do it!). I hope you will consider working for the future of CLBG. All other leadership positions have candidates running for elections.

2020 will be the 40<sup>th</sup> Anniversary of Corvettes Limited of Bowling Green. I hope you feel as I do that our Club and the friendships we enjoy and the service we provide to the Museum and the community should continue. Please reconsider serving or serving again to allow our Club to live on.

# CLBG GARAGE TOUR

September 7, 2019

The inaugural Garage Tour attracted a large contingent of club members, most parading their Vettes from one location to the next. Each stop provided the opportunity to see the member's garage and to eat a meal. The tour started at the home of Jim Rizzuti, moved on to Bob and Cindy Whittaker's, then the day ended at the home of Bruce and Sandra Hazelton, where Rich Blair grilled hamburgers for the crowd.

A big CLBG thank you to Bruce for organizing the day, and to our host "garages".

# SOMERNITES CRUISE

## September 27-28, 2019

Somerset Kentucky proved itself once again to be the “Car Cruise Capital of Kentucky.” The September cruise featured the Corvette, but, as with every month, cars of all makes and models poured into Somerset. The parking lot of every hotel in town looked like its own cruise-in, with so many cars coming from the nearby states.

On Saturday afternoon, most of the cars, and, this month, vintage camping trailers, poured into downtown Somerset. We were able to snag a prime parking spot at the center of the square. Across the street, Joe and Mandi Martin from “Iron Resurrection” on Motor Trend signed autographs for several hours. At the end of the day, the cars left downtown and cruised up and down highway 27, parading for the many people who set up their lawn chairs and enjoyed the spectacle.

If you have yet to attend a Somernites Cruise, there is one more this Fall, on October 25-26. And they will be back next year with seven more from April through October. This is the best kind of Cruisin’ fun!

# CLBG NATIONAL CORVETTE MUSEUM AMBASSADOR

## Fred Kayser

The weather should begin to cool down a bit so make time for a cruise. A short cruise to the NCM will allow you to see an exhibit titled "When The Earth Shakes". It opens in October and is a very informative and interactive exhibit.

A 2019 Arctic White Stingray coupe will be raffled off on October 24.

Registration for the Vets-N-Vettes (November 7-9) event is open.

The MSP has some very interesting events occurring during October so be sure to check them out. Some of them are Autocross, Kartplex racing, an SCCA event, a Monster Dash 5K and 10K run/walk, NASA Great Lakes Final Leap, and a Midwest Track Day for motorcycles. You may view the listing by going to [www.motorsportspark.org](http://www.motorsportspark.org).

Membership in the museum has many benefits. If you are not presently a member, please consider becoming one.

## BEST NEW ENGLISH LANGUAGE WORD

Hey, Funk and Wagnalls! Calling Merriam-Webster! The Corvette community has coined a delightful, descriptive, functional new word: **Frunk!** That is, of course, referring to the front-located, under the hood storage compartment on the new C8 Corvette. It has a Trunk in the rear, so it was necessary to distinguish one compartment from the other. And Frunk was born!

Trunk.

Frunk.

# RECIPE OF THE MONTH!

## Skinny Oreo Cheesecake Dessert

Because I am currently on a mission to cut down on fats and sugars, I decided this month to drag you along with me, at least as far as recipes go. This dessert honors my three food requirements: Low fat, low sugar, high taste!

Okay, this is not really cheesecake (no cheese) but let your taste buds be fooled.

### Ingredients:

- 1 cup non-fat vanilla Greek yogurt
- 2 Tablespoons sugar-free instant cheesecake pudding mix
- 1 cup sugar-free Cool Whip
- 2 Oreo cookies (or 2 Oreo Thins), crushed

### Directions:

- Stir together the yogurt and pudding mix (just the dry mix, not actual pudding) until smooth.
  - Fold in the Cool Whip, and then stir in the crushed cookies.
  - Chill until ready to serve.
