

## PRESIDENT'S MESSAGE

### GARY COCKRIEL

Hi Gang!

Well, here we are, a new year, 2020, and a whole new Corvette coming out! I would like to start out by saying, a Big Thank You to our past President and all the officers that worked for our club over the past year! They all did a great job and some are even back for more this year! Thanks again to everyone.

I look forward to the new year and the opportunity to lead the club into the future. I know that I can't do it by myself, and I ask every one of you, not only the officers, but everyone to share your thoughts and wants with us. We want to plan things that you want to do. Not saying we'll be able to do all of them, but we want to at least look into trying to do them. I have some things that I will bring before the board to discuss and then we will bring them to the club to decide on! Always know this - we will NOT do anything unless the club votes on it (unless the bylaws have already set aside certain things that don't require a club vote). I have, and always will, lead us in the direction of what is best for the club! If you have question please let me or one of the officers know and we will get you an answer.

Let's make this year, our 40<sup>th</sup>, one of the best we've ever had! Let's make many fond memories! We are already looking into ways to celebrate. We want and need to do more rides, and maybe even do some bus trips! That way, we can all be together and leave the driving to someone else! Let's get back to having fun together and enjoying our friendships, not only our cars! Let's keep getting new members and help them start making memories. That's what we did in this club when we first started and we need to get back to that.

In closing, I want to say and I beg you to hear and understand! People are always looking and talking so, we all need (including myself) to watch how we act and in the things we do and say! People already think we are a bunch of rich snobs with our Corvettes and Corvette clothes. Let's remember each and every one of us represents not only this club, but Corvette and even the Corvette Museum, because we meet there. So when wearing your Corvette apparel (like I do a lot) or driving your car, remember, people are watching, so let's show them we aren't a bunch of rich snobs, we're just people that have been blessed with good friends and got lucky enough to own the greatest sports car in the world!

Until next time, be safe and enjoy the ride!

# CLBG CHRISTMAS PARTY/DINNER

## December 7, 2019

This year the Christmas party was held at a new venue, the Baptist Church in Oakland, KY, thanks to Larry & Vickie Crosbie. It was a great location, where we enjoyed the food, the comradery and the game! You can view all of the photos on our website. Just select "Photo Gallery" then "Photo Albums" from the menu.

# CLBG NATIONAL CORVETTE MUSEUM AMBASSADOR

Happy New Year!

Regardless of the weather outside, visit the NCM and enjoy a comfortable environment with plenty of interesting things to see and do. There are always many new items and sales going on in the Store. Additionally, the cafe has an interesting menu and atmosphere. Enjoy a meal at our club's table!

A new exhibit is scheduled to open during January. It is called "Car-Toon Creatures, Kustom Kars, and Corvettes: The Art and Influence of Ed 'Big Daddy' Roth". This should be a very exciting exhibit based on a popular artist during the 60's.

Raffles are scheduled to occur as follows:

- January 23, 2019 Black Z06 coupe
- February 20, 2019 Blade Silver Grand Sport convertible
- April 25, 2020 Black Stingray coupe

Membership in the museum has many benefits. If you are not presently a member, please consider becoming one.

# RECIPE OF THE MONTH!

## Ale-8 One Buttery Biscuits

This recipe is so Kentucky that I'm not sure I have lived in the state long enough to be qualified to make it! I got this from another one of my fav-o-rite websites, [JCP Eats.com](http://JCP Eats.com). The person behind the curtain is JC Phelps, a truer Kentuckian cannot be found. Visit his site to find not only a little gold-mine (or should that be *coal* mine) of recipes, but also articles about restaurants and places of interest all around Kentucky.

### Ingredients:

- 4 Cup Baking Mix (i.e., Bisquick)
- 1 Cup Ale-8-One
- 1 Cup Sour Cream
- 1 Stick (1/2 Cup) Butter

### Directions:

- Preheat oven to 425 F.
- In a mixing bowl, combine the baking mix, Ale-8-One, and sour cream. Mix well (use a rubber spatula/your hands) until fully combined. I wouldn't recommend using an electric mixer, as you do not want to over mix. Also, just for your information, this is a sticky dough.
- Using either your counter or a large cutting board, sprinkle the surface with flour/baking mix and use your hands to knead the dough. Roll it out to roughly half an inch thick
- Place a stick of butter in a glass baking dish and place in the oven. Do NOT let it burn; however, do let it fully melt, leaving the bottom of the pan covered in layer of butter.
- Cut out your biscuits and place them in the butter-filled pan
- Bake for 12-15 minutes, until golden brown. Keep an active watch on the biscuits!
- Let the biscuits sit in the pan for 5-8 minutes, as they will absorb the butter
