

## PRESIDENT'S MESSAGE

### GARY COCKRIEL

Hey gang!

We will be having a meeting in August! Mark your calendars for August 1st at 6 p.m. at the National Corvette Museum. The Board of Directors have been meeting and working on several things over the past few months, which we will need to vote on. We have a few small by-law changes and one addition to the by-laws. The small changes are just some wording to make them easier to understand and clarify what some things mean. The addition is to help us in an emergency or pandemic situation. This change will make it so we can go to electronic voting. Hope to see you there!

If we can get through the meeting in a short time, we will be able to go back and see our CLBG display in the Museum and check out the Ed Roth collection.

We had another great turn out for our Corvettes & Coffee at Q on Saturday, July 18<sup>th</sup>. I think we had 15 Corvettes and a few other members show up to be together! Thanks to Robert Elrod for his help in blocking off the parking lot on Friday night and manning the parking lot on Saturday morning. Thanks Robert!

We had our second Corvette Ride on August 19th. I heard we had 28 cars! Thanks to everyone who came out for the ride! I know one that didn't read the directions to the start location and missed us by just a few minutes. (Sorry about that!) I felt everyone enjoyed the ending to the ride and I want to thank Kevin & Lynn Kirby for the great opportunity of letting us share in their collection of automobilia! You never know what or where our rides will take us. Don't miss the next ones!

The Board of Directors will be meeting Saturday before the meeting, we will start at 4:30 and then join the rest of you before the meeting. We hope to see you there. We will practice social distancing and wear your mask for sure when we're all in one small area.

See you again soon.

## COFFEE & CORVETTES

### July 11, 2020

We met for the second time this year, again at Q Coffee Emporium. A good crowd showed up, despite the hot weather. It was a nice chance to sit and catch up with fellow club members, and to show off our collective cars to the Bowling Green public!

# SUNDAY AFTERNOON CRUISE – NUMERO 2

## July 19, 2020

There may not be many car shows taking place these days, but there was one heck of a rolling show on Saturday! Twenty-eight beautiful, shining, GM beauties, from C1 through C8, paraded over the back roads of Warren County. Gary Cockriel put together this Club road tour, and topped it off with a visit to an amazing private automobilia collection here in Bowling Green. The collection owner chooses to remain off-line, so we are not publishing his name, and no one in our group took photos. Thanks to him for graciously opening the doors to our group. (He actually never gives tours, but Gary is a very persuasive guy!) That, my friends, is why it is *great* to be a member of CLBG! If you missed this outing, be sure to try to make the next one.

Through the countryside...

and city streets.

Ready, set and GO!

A timely pitstop.

Up a familiar hill.

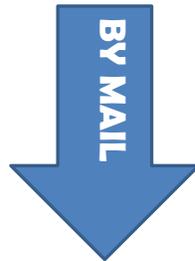

You can view these and many more photos of this cruise on our website. Just go to Photo Gallery on the menu and select Photo Albums.

# CLBG NATIONAL CORVETTE MUSEUM AMBASSADOR

**Rich Sanders**

Who remembers this time last year when everyone was gearing up in anticipation of the 25th Anniversary Celebration at the National Corvette Museum? Groups of Corvettes started arriving in Bowling Green during the days leading up to the event. The mass of beautiful cars coming in to town kept building in true Woodstockesque fashion (showing my age) until the day that the gates opened for early registration.

A quick glance at the 2020 calendar indicates that the 26th Anniversary Celebration is rapidly approaching. Many activities are planned for the September 3-5 event. The deadline for online registration is August 14th. You can register at: <https://www.corvettemuseum.org/event/anniversary-celebration/> . Virtual attendance is also available with your registration. Attending virtually worked very well for the April Bash and this could be a great option for those who do not wish to travel to Bowling Green this year.

The NCM currently has four Corvettes listed for raffle. A beautiful 2021 Shadow Gray Coupe will be won by a lucky person on July 30, 2020. As of this writing, there were a little over 300 tickets still available for that drawing.

Trivia fact: The one millionth Corvette (a 1992 model) and the 1.5 millionth Corvette (a 2009 model) are both on display at the NCM

The 1.75 millionth Corvette to be produced could soon be parked in your garage. Yes, for the price of one Corvette raffle ticket, that car, a very heavily-optioned 2020 Artic White coupe could be yours. That drawing is being held on September 4, 2020. Raffle tickets can be purchased at: <https://raffle.corvettemuseum.org/> .

After a brief shutdown due to COVID19 requirements, the Paint Protection installation shop located at the Motorsports park is now up and running. Several owners who have chosen the Museum Delivery option are also scheduling their paint protection installation before hitting the road with their new beauty. Appointments are already scheduled through the end of August. Please call the NCM store at 270-777-4555 (ask for Tammy) or email to [storeCustomerCare@corvettemuseum.org](mailto:storeCustomerCare@corvettemuseum.org) for more information. Remember that applicable NCM member (annual or life) discounts apply to this item because it is a store purchase.

Congratulations!! The National Corvette Museum was named the Best Attraction for Car Lovers in the 2020 USA TODAY 10 Best Readers' Choice travel awards contest. Of course, we all knew it was the best! Twenty automotive attractions were also nominated. The NCM received the most votes. Thank you to everyone who helped with this selection. Everyone at the NCM should be very proud of this accomplishment.

# RECIPE OF THE MONTH!

## Ramen Noodle Salad

I know that most of you are familiar with this great summer salad, and I wanted to add it to our collection. This probably is not the exact recipe you have eaten or made, but it is a good one. A long list of ingredients, but a snap to make!

### Ingredients:

- 24 oz shredded broccoli slaw available by the pre-packaged salad mixes lettuce, etc., usually sold in 12 oz bags, so you will need 2 bags.
- Two 3 oz packages chicken flavored ramen noodles, broken into small pieces (reserve seasoning packet)
- 1/2 cup chopped green onions (about 6 green onions), sliced
- 1 cup sunflower seeds
- 1/2 cup canola oil (vegetable oil would also work)
- 1/3 cup sugar
- 1/4 cup apple cider vinegar
- 3 Tablespoons rice vinegar
- 1/4 teaspoon crushed red pepper flakes (optional)

### Directions:

- Combine broccoli slaw, broken ramen noodles, green onions, and sunflower seeds in a large bowl. Set aside
- In a separate bowl, whisk together canola oil, sugar, vinegars, crushed red pepper, and reserved seasoning from both ramen packets.
- Drizzle over broccoli slaw mixture and toss well.
- Chill in the refrigerator for one hour before serving to allow flavors to meld and noodles to soften. It is best when served the same day that it is made as the noodles are still somewhat crunchy, but it does taste good the next day with softer noodles, too.
