

PRESIDENT'S MESSAGE

GARY COCKRIEL

Hey Gang,

I hope this finds you all well! The weather is changing and some feel for the better. Not so hot and humid. As for me, I don't mind the hot, it's the humid that kills me. It does make for good top-down driving this time of the year! Hopefully we can get out and do a color-change drive one day, even if it's just up around the Mammoth Cave area.

We have had many members make donations to the club to help us keep things moving and fulfill our missions! Thank you again to all that have and will help out your club!

Last meeting we voted on our By-Law amendments and got them passed to make it easier to read and understand and to allow electronic voting if ever necessary. Thank you for that.

I hope many of you have seen the award we received from the Museum for all of the volunteer work we did for the Museum. Thank each and every one who has helped to get this award for your club!

Last month we opened up the floor for officer nominations, we had several nominated. The nominations stay open until the middle of October. If you would like to hold an office, please let Shelia know by email and she will get you on the ballot.

The October meeting is coming up on the 3rd, the first Saturday night like always, but we will have to meet at 5:00 p.m. instead of 6:00, as the Museum is rented out that night. We'll get in, hold the meeting, then get out and go have dinner or whatever. Remember, **5:00!**

Until then, be safe and have fun!

head**

WANTED - TREASURER NOMINEES

We are looking for someone to step up as Treasurer for the Club. Barb has served us for the past few years and would like to step aside and allow someone else to take the reins.

There are a few requirements we look for in a Treasurer:

- Have a home computer with internet access and Excel.
- Basic computer skills
- Basic accounting knowledge
- Be able to go the Club P.O. Box to pick up mail, and to the bank for deposits.
- Be able to attend the Board and Membership meetings.

Both Barb Thompson and Terry Jordan will fully train you on the duties of the Treasurer, including all actions you will need to take on the website.

Do you get a kick out of balancing your checkbook? Can't wait for tax season to check out the new IRS forms? Then you may be The One! Let Sheila Best know that you would like your name on the ballot, or nominate yourself at the October 3 Membership Meeting. We're "counting" on you!!

IMPORTANT NOTE FROM YOUR WEBMASTER

For those who are still going to go to our website to pay their renewals, note that online renewals can only be done by the primary member of the account. You must log in with the primary members user id and password. If the secondary member is the one who has this duty, send me an Email and I will reverse who is primary and secondary.

Thanks!

Terry Jordan

CLBG NATIONAL CORVETTE MUSEUM AMBASSADOR

Rich Sanders

Expansion & conversion... During the Ambassador's meeting that was held during the Anniversary weekend, NCM Curator Derek Moore presented brief information concerning some current and long range happenings. The former FOP building is being converted and designed to store the many Corvette related artifacts that the museum has accumulated over the years. These artifacts had been spread out in various storage areas. Storing them all under one roof will be much more beneficial.

Derek and NCM Board Chair Glenn Johnson also discussed in very limited fashion the topic of the museum expansion. This new addition is currently in the initial planning and design stages. At some point in the future, a formal announcement will be made public.

Educational programs... In the past, student visits to the NCM have been highly regarded and educational class field trips. Currently, the restrictions of the pandemic will not allow the schools and museum to schedule these trips. Deb Howard the NCM Education Coordinator, has designed Vettecademy so it will fill that void. It is a series of videos geared towards school-age children. They offer at-home educational and entertaining episodes on various aspects of the Corvette.

If you would like to view these videos and maybe also gain a little knowledge, they are located at:

<https://www.corvettemuseum.org/explore/educational-programs/vettecademy/>.

NCM membership... I am sure that a large percentage of the CLBG members are also NCM members. But, if you would like information about the various levels of the membership, please go to <https://www.corvettemuseum.org/support/membership> or call 800-538-3883 or 270-781-7973. NCM has two membership categories that are unique – Legacy and Senior (65 and above).

NCM Corvette Raffles...

- 2021 Silver Flare Corvette Coupe – drawing date is 10/15/2020
- 2021 Elkhart Lake Blue Corvette Coupe - drawing date is 11/5/2020
- 2021 Arctic White Corvette Coupe – drawing date is 4/24/2021

Raffle tickets can be purchased at: <https://raffle.corvettemuseum.org/>

RECIPE OF THE MONTH!

Macaroni & Cheese

I don't doubt that many (most) of you have made mac and cheese, perhaps a million times. But there are a few who still may never have ventured beyond the box mix for this venerable, most American of dishes. So let me lead you to the joy that is Homemade Mac and Cheese! This recipe is very classic and basic, with one creamy, cheesy addition (okay, you guessed – it is Cream Cheese!)

Ingredients:

- 1 1/2 cups elbow macaroni
- 3 Tbls butter
- 2 Tbls flour
- 1/2 tsp salt
- 1/4 tsp pepper
- 2 cups milk
- 1/4 cup finely chopped onion
- 8 oz cubed Velveeta cheese
- 8 oz cream cheese

Directions:

- Cook macaroni until tender – drain and set aside.
- Grease 9 by 13 pan, pre-heat oven to 350.
- In saucepan, melt butter and blend in flour, salt and pepper
- Add milk. Cook and stir until thick and bubbly..
- Add onion, Velveeta and cream cheese –stir until melted.
- Mix cheese sauce with macaroni. Turn into 1 1/2 quart casserole.
- Bake at 350 for 35-40 minutes.

Susan's Notes:

- Since I have yet to find a savory dish that cannot be enhanced by canned, diced jalapeno peppers, try mixing a few tablespoons of this green goodness into your cheese sauce. Be sure to drain it well before adding.
