"Just like their motto "Experience the Magic of Africa"

Reviewed January 6, 2014

Chances are if you are reading this review, you are considering or already successfully bid on this at a charity auction. You won't be disappointed, especially if this is your first trip to Africa. It is no coincidence that African movies have been filmed at Zulu Nyala. We stayed two nights in the Heritage Tents and the rest of the time at the Game Lodge. Both are quite comfortable and well-appointed and offer distinct experiences. Every day is as much of an adventure as you want to make of it—there is always something to do in addition to the two guided safaris offered each day. Within a short period, we saw all the iconic African animals in their natural habitat. We bonded with the other members of our group who had the great fortune of being assigned to William, whose knowledge, wit and compassion made the trip that much more memorable to me.

"Exceeded our greatest expectations"

Reviewed January 5, 2014

We purchased the Zulu Nyala vacation from a charity auction, as most of the guests at the lodge do. The purchase opened up an adventure we would never have had if not for the auction. Our room was large and very comfortable. We didn't spend a lot of time it though as our guide kept us very busy with the two game drives and the other opportunities. The Zulu Nyala game preserve provides an incredible experience of seeing the amazing animals up close. Our guide, Welcome, was wonderful and we think we had the best guide there was. Everyone thinks that about their guide at Zulu Nyala! The food was plentiful with plenty of delicious variety. Our vacation to South Africa was better than we ever could have imagined it would be. The optional activities we chose were Hluhluwe Umfolozi Game Reserve, Elephant Interaction and Cheetah Rehabilitation. Each experience was magical. We regretted that we missed St. Lucia wetlands outing; but we were very pleased with the whole experience provided by our Zulu Nyala adventure.

"A great first safari"

When I attended a gala dinner celebrating the hundredth anniversary of the girl scouts the furthest thing from my mind was ending up on safari in South Africa. But there on the silent auction table sat an opportunity for adventure and somehow my daughter talked me into placing a bid. The result was serendipitous. We had a fantastic time.

"A fantastic experience – I would very highly recommend"

We stayed in the "TENT". It was so great that we did not want to move up to the lodge. We felt safe, we had wonderful safari trips daily and the food was good. We are already planning our next trip. The food was okay- with breakfast being the best of the three meals. There were wonderful side trips offered. Room Tip: The tents are amazing. All of the South African flavor but American luxury.

"Don't miss this opportunity"

Reviewed October 26, 2013

We learned about this lodge through a local charity auction. On our visit we met several other guests who also were happy winners of local auctions. If you get a chance to bid on a visit to this place: "Don't miss the opportunity!" Accommodations were first rate. The occasional Nyala browsing near the pool makes a great photo op. The Safari guides were skilled at providing all of us a great safari experience.

The trip is valid for 2 years from date of purchase. This package is non-transferable, non-refundable and may not be given to any other person or organization and may not be bartered or sold in any other manner, unless written permission is authorized by Zulu Nyala Group.
