

Winterset Bulk Ticket Purchase – 2017 / 2018 Season

The bulk buy ticket program is sponsored by the Connecticut Ski Council for their member clubs. As such, each purchaser must be a member of a participating club. Here are a few guidelines for this year's program.

- Bulk buy purchasers must be fully paid-up members of Winterset Ski Club (by the date you pick up your Bulk Buy Tickets).
- Bulk buy tickets are intended only for Winterset Ski Club members. **They cannot be resold to non-club members. Any violation will jeopardize the club's ability to obtain credit for unused tickets and participation in future programs.** Therefore any abuse of this program will result in termination of club membership.
- Ticket prices are negotiated with the Ski areas based on an estimated purchase volume for all Connecticut Ski Council member clubs. If this volume is not met, some tickets may not be offered.
- Ticket orders must be received by the bulk buy coordinator on or before Sept 27, 2017.
- **Bulk buy purchases must comprise two (2) separate checks.** One is for the full purchase price of the 2017/2018 order less any credit due from last year's purchase. The 2nd check is to cover the cost of shipping the tickets to the purchaser. If the tickets are picked up in person, this check will be returned.
 - Even if paying for your tickets by cash or cashier's check, please consider making your delivery payment by personal check – it makes out accounting work so much easier!
- If you order more than 75 tickets, please contact us for information on delivery charges.
- Each check must be made out to "Winterset Ski Club".
- Based on when the resorts supply the ticket vouchers, these vouchers will be available for pickup at The Meeting House in Newtown on **Sunday November 26, 2017** (Thanksgiving weekend) or at our Open House on **Saturday December 10, 2017** at St. Rose's Church Hall in Newtown. If tickets are picked up in person, the 2nd check will be in the same envelope as the tickets.
 - **We will accept requests to mail the tickets to you prior to the December Open House as we realize that this Event is being held significantly later than in prior years.**
- If tickets are not picked up, they will be shipped and insured via USPS.
- Further information can be obtained by contacting the bulk ticket coordinator via e-mail at murrayb59@gmail.com or phone 860-490-0870.
- Please **DO NOT** send Bulk Buy orders to any address other than the one listed on the bottom of the Bulk Buy Form.
- Do not send membership information or payments to the Bulk ticket coordinator
- **If any contact information on your Bulk Buy Order form is incorrect, please modify the Bulk Buy form to provide us with the correct information.** This will make it easier to contact you in the event of an issue with the order forms.
- **Please also remember to validate your phone number and e-mail address in your online member account when you process your membership renewal.**

----- Return/Credit Policy -----

A limited amount of vouchers may be returned at the end of the season for credit towards next year's purchase. The return amount is set by the ski resort and is generally 10%-20% but there is no guarantee that the resorts will accept returns. **Please keep these return limits in mind when ordering.**

- You should only purchase tickets that you think you're going to use.
- Your credit amount(s) is shown on the Bulk Buy Order form included in this package
- Only credit is given for prior year ticket returns- no refund is given. Credit for last year's unused tickets that were returned in April 2017 can be deducted from this year's purchase. Contact the bulk buy coordinator if you're uncertain of the credit amount (if any).
- Credit for last year's tickets can only be applied towards tickets to the mountain that grants the credit. You cannot return Okemo tickets last year and apply the credit toward Killington tickets this year.
- You cannot use Northern Credits to purchase Southern tickets and vice-versa.
- Credit dollar reductions are based on last season's prices not this seasons.
- Vouchers must be returned to the Bulk Buy Coordinator in April after the ski season ends for any allowable credit. **THERE ARE NO EXCEPTIONS TO THIS RULE**
