

Welcome to Mt. Laurel Skiers Club!

Main Website: mtlski.com

Who are we?

Mt. Laurel Skiers is a 4-season ski, sports and social Club with over 500 members including both adults and children. Most members hail from Connecticut but some come from as far away as Florida and Ohio. Even though the Club's primary focus is skiing (downhill, cross-country) and snowboarding, we offer a variety of outdoor activities and programs throughout the year such as snowshoeing, hiking, bicycling, kayaking and seasonal get-togethers. It is not uncommon for members to informally get together for other activities such as golf, concerts, and sporting events. See the [Seasonal Overview of Activities](#) below to get a flavor of the many Club activities.

When does the Club meet?

Club meetings are generally held on Wednesdays at 7:30pm at the Stanley Golf Course's Back Nine Tavern located at 245 Hartford Road, New Britain, CT 06053. At the meetings, we talk about the activities scheduled for the near future, however, once or twice per month; there will be a special program like a holiday dance, a speaker with a topic of general interest or an activity such as lip sync or bingo. During the summer months, the meetings are less frequent. Refer to the calendar on the home page for the up-to-date schedule.

Does the Club have a Lodge?

The Club owns a recently refurbished 36-bed lodge at 82 Andover St. (Rt. 100) in Ludlow, Vermont 05149. The Lodge is minutes away from Okemo or you can take the complementary shuttle to Okemo during ski season. The Lodge has private and semi-private rooms, full kitchen facilities, a parlor and a tap room for socializing. The cost for staying at the Lodge on weekends as well as mid week is extremely reasonable for Club members and their guests. See the Lodge Information pages for rates, bed availability, room layouts and more.
