

2021 Typhoon Fleet Update

Although Covid-19 restrictions are still with us and we can expect them to continue for a while, we are optimistically planning a full Typhoon racing season starting 21 April 2021 with our Spring Series. Our full season schedule is now posted along with updated Fleet Rules on our web page. BUT, please keep in mind that the schedule is subject to change. The season's Sailing Instructions will be posted soon. You'll note that our already delayed bi-annual Typhoon National Regatta has been put off another year as we don't expect travel difficulties to have eased. In its place we have scheduled a more local Chesapeake Bay Regatta.

The RRYC's COVID-19 policy remains in place. As you cannot socially distance on a Typhoon, you should wear a mask and this is required if non-family members are sailing together.

We have also optimistically scheduled non-racing and social events and are planning more. We will keep our schedule assuming it is relatively safe – and legal – to do so. If we need to modify the schedule we will try to let you know in advance of necessary event preparations.

If you sense an atmosphere of pent up enthusiasm on the part of the Ty Fleet Committee, you are right. We are all looking forward to getting out on the water, together, and having fun. Let's hope we can - safely.

Feel free to contact me with questions/suggestions/etc. that might improve our enjoyment of the sailing season – which can't happen soon enough.

George Kuper
