Soroptimist is a volunteer organization dedicated to improving the lives of women and girls through programs leading to social and economic empowerment. Founded in 1961, we are a 501(c)(3) non-profit organization that relies on private donations to assist women and girls in our community. Our major program, the Soroptimist Live Your Dream Award, provides cash grants for women seeking additional education and training. We also award scholarships to girls graduating from high schools in the San Jacinto Valley.
