

2018 Annual

Water Rescue

Symposium

South Bend, Indiana • June 6-9, 2018

IAWRP is excited to announce the details of the 2018 Annual Water Rescue Symposium dedicated to all disciplines of surface water rescue.

Here are some of the highlights of this year's conference:

- Pre-Conference Certification Training (6/4-6/18) led by leading training organizations
- The Command & Logistics Track to run in parallel to the traditional Technician Track

Are You looking for:

- **A conference** dedicated to all aspects of Surface Water Rescue?
- **A conference** that brings together the leading Training Agencies, Manufacturers and Seasoned Water Rescue Personnel?
- **A conference** that explores the use of the latest technologies available maximizing success while minimizing rescuer risk?
- **A conference** that spends most of our time on the water utilizing static water, 2 low head dams, controllable 2000' long swift water venue with obstacles, high angles as well as a river loaded with natural obstructions?
- **A venue** to see and test drive the latest in water equipment and PPE?
- **A conference** where you can interact with like minded practitioners?
- **A venue** where you can be part of the discussion on topics that directly affect you and your team?

Admission

Full Conference (Technician / Command & Logistics) *

Members:	\$290
Non Members:	\$290 + \$35 (dues)

Location

South Bend, Indiana, USA

Easy access from all Chicago Area Airports

* Technician HOT Session registration is limited to 80 participants

Based on your feedback; there will be a *Meet and Greet* Wednesday evening in the exhibit hall for friends old and new to mingle and meet with our vendors before the conference officially kicks off on Thursday morning.

The current schedule for this year's classroom and HOT sessions promises to provide valuable information for all levels of practitioners and commanders.

Pre- Conference Program: Three pre-conference courses offering certification by the organization offering the program.

These include:

Pre-1	<i>PWC Operator</i>	Aqua 7	6/4-6/18
Pre-2	<i>Intermediate to Advanced Boat Operations</i>	Rescue Instructors Group (RIG-US)	6/4-6/18
Pre-3	Animal Technical Rescue	ASAR & TLAER	6/4-6/18

Conference Program: 6/6-9/18
