The Conservation Officers of Pennsylvania Association was organized to promote professionalism and fraternalism among the Commonwealth's Waterways and Wildlife Conservation Officers, and to continue, and enhance, the spirit of understanding and cooperation that exists between our officers and the public. COPA is affiliated with the North American Wildlife Enforcement Officers Association (NAWEOA), an international association for conservation professionals.

MEMBERSHIP POLICY AND FEES - No member, or applicant for membership, will be discriminated against based on sex, creed, race, religion, or physical condition.

Regular Membership is open to all conservation officers, regardless of rank or title, salaried or part time, who are in good standing in the Commonwealth of Pennsylvania, or have officially served and are retired.

Associate Membership is open to all other people. Junior Membership is open to any person under the age of 16 years old.

All annual memberships expire from the date of joining or renewal .

Physical membership cards are no longer issued.
