A Message from the President

Welcome to the dog days of summer. Hopefully all who want it have access to a beach or pool to stay cool.

As always, MLSC has a busy activities schedule which you find below. My goal today is to highlight a few dates you may want to hold.

July 14 is the Minnicks pool event for MLSC and Tiroler. The MLSC's annual pool party is August 4 hosted by Elizabeth and Ralph von dem Hagen in Berwyn. Both events have limits on sign-ups so please plan ahead. Our August party will feature barbecue, rather than grilled items, although a charcoal grill will operate for hot dogs. Event details are on club website calendar.

Our annual Wine and Cheese event is October 14th. We moved back to a Sunday. Don't worry, we first checked the Eagles have the day off.

Your Board approved a first annual MLSC Holiday Party on Friday, November 30th. You will be hearing more from our Committees, just know that we intend this to be a nice event at very modest cost to our members.

The Holiday party is made possible in part by financial saving from a new general meetings plan. No longer monthly, MLSC will host member meetings only in September, October, and

April, supplemented by a February gathering in the Crown Plaza bar. Our trip leaders will have information at the Glenmorgan Happy Hours in November & December.

Your Board has officially voted for 2019 trips to Snowmass, Holiday Valley, and Saint Moritz. Linda LaChapelle and Deb Pentz will have their announcements out shortly. Snowmass early reservations are full. If you are still interested or on the waitlist, we saved a few slots for members who arrive with a check in hand at the September membership meeting!

There will be a small increase in weekly tennis fees next year to keep that program around breakeven. John Leese will announce details. Sign-ups have been strong from November through April, but we have had some empty courts during the shoulder seasons.

One more element to think about: the club's need for trip and event leaders. We are already constrained in trip size because we lack a second trip leader on the 2019 trips. Please step up if you would like to be part of leadership - one of several benefits is lower cost - another is being a center of attention. Talk to any Board member or trip leader, or contact Sally Hilderbrand if you could lead a wine & dine or tour event.

Annual membership renewal happens in September. We are putting in place a simplified online process that enables each of you to electronically save or print your own membership cards.

Enjoy your summer.

Ralph von dem Hagen, President MLSC
