

MENTORING PROGRAM 2020

The program provides mentoring for thematic group postgraduate students and ECRs (five years from conferral) without a continuing position in academia. It focuses on writing a journal article for publication. We will pair senior academics with postgraduate students and ECRs for 6-months.

The face-to-face time commitment will be approximately 6 hours, which includes 6 1-hour paper-workshopping meetings (to be conducted in person, phone, or skype/zoom).

- April – Meet and greet, review a pre-prepared abstract and paper outline, journal selection, etc.
- May – Review and discuss partial draft.
- June – Review and discuss full draft one.
- July – Review and discuss full draft two.
- August – Review and discuss full draft three.
- September– Prepare for submission and peer-review.

Eligibility

Mentors must be at level C and above. Mentees must be either late stage Postgrads (2 years+) or ECRs (five years from conferral) without a continuing position in academia.

To participate

To offer your time as a mentor please email Kris and Ash: kris.natalier@flinders.edu.au and abarnwell@unimelb.edu.au

If you are a late stage Postgrad or an ECR interested in being a mentee, please send a document with the information below:

- Your name, institution (if applicable) and stage of candidature/ career.
- 200 word bio, including your research foci.
- 250 word abstract of the paper you aim to write in this mentoring program.
- 200 words about what you hope to gain from the mentoring program.
