

2019 Military Appreciation Donation Volunteers

The Military Appreciation Cruise is approaching quickly on Monday, August 26th and we need help from our Fond Du Lac Yacht Club members to volunteer their time and effort to collect donations from our community. The more volunteers we get, the more we boost our power, lighten the load, and exponentially increase our impact in welcoming our hometown veterans and active duty members.

For those members who find this event dear to their hearts and would like to help, please call Linda Burian at 262.510.6709. Linda will be coordinating the donation venture this year.

We are hoping to get enough volunteer to step in by pursuing the whole community for this wonderful event. We will need to have a meeting so everyone is on the same page. This way only one member of the Club is approaching each business.

Let's all set a goal and help out anyway we can.

Linda Burian, Chris Romuald, Randy Veoser
