# **Certified Floodplain Manager**

The Association of State Floodplain Managers (ASFPM) has established a national program for certifying floodplain managers. This program recognizes continuing education and professional development that enhances the knowledge and performance of local, state, federal, and private-sector floodplain management professionals.

The role of the nation’s floodplain managers is expanding due to increases in disaster losses, the emphasis on mitigation to alleviate the cycle of damage-rebuild-damage, and a recognized need for professionals to adequately address these issues. This certification program will lay the foundation for ensuring that highly qualified individuals are available to meet the challenge of breaking the damage cycle and stopping its negative drain on the nation’s human, financial, and natural resources.

## **Exam Preparation**

Study materials, including FEMA 480 NFIP Desk Reference and Study Guide are available from the ASFPM website:

<http://www.floods.org/index.asp?menuID=215&firstlevelmenuID=180&siteID=1>

## **Exam**

TN AFPM will hold the Exam during our annual conference on:

Friday, July 27<sup>th</sup>..... 9:00am – 12:00pm

Application packet, processing, & exam..... \$450

OR with current ASFPM Membership..... \$100

(This is membership with the national association, not our State Chapter TN AFPM)

**You must register for the CFM Exam through ASFPM:**
