The Venice Newcomers Club is a non-profit organization whose purpose is to provide "newcomers" opportunities to form new friendships and to experience the many things our paradise has to offer. Membership is open to residents of Venice, Nokomis and Laurel who have moved to the area within the last three years and who maintain at least nine months of residency per year. Members volunteer their time and energy as officers and activity leaders to arrange monthly activities and other events of interest to the general membership. Newcomers Club members are introduced to area sports, theaters, concerts, ballets, museums, restaurants, and other places of interest in Southwest Florida. Activities are varied and most people can find one or several to fit their interests.

Password Hints

A password strength indicator will give you a score on your selected password as you type. Note that this is for your information only - this web site does not enforce specific password rules.

Some tips for a strong password:

- Do not use common, obvious passwords like 'password' or '123'
- Do not use easily guessed passwords like your first name or your birthday
- Include a mix of upper- and lower-case letters and numbers
- Add punctuation and other special characters
- Longer is better
- A 'passphrase' is often better than a complex password. For example, 'My favorite color is ecru' is a very strong password; it is easy to remember and hard to guess
