LOWLINC Joins Fourth of July Parade and Festivities
Carolyn Rourke, LOWLINC Communications

This year's Fourth of July celebration of parade, party on the point and fireworks was one of the best ever, and LOWLINC was very happy to be a part of it!

The vintage pick-up truck was "dressed to the nines" with bunting, flags, signs and side panels that spelled out "LOWLINC" in more than 3,500 hand-made crepe-paper flowers. The truck was on loan from LOWLINC Social Activities Committee Co-chair Maureen Callahan, who organized a small army of volunteers to plan the float, make the signs and flowers, and do the decorating.

Several LOWLINC members had a great time riding in the rocking chairs in the bed of the truck while volunteers walked alongside waving to the parade-watchers. LOWLINC also hosted a table at the festivities on the point after the parade. Many of the parade-watchers stopped by to ask about what we do. If you have questions about the services we provide and the cost to participate, please feel free to call Coordinator Sparkle Capitano at 1-855-LOWLINC (659-5462). She would love to spend a few minutes on the phone answering any questions you might have.

The enthusiasm and dedication of the dozens of LOWLINC volunteers who worked to make our day a success are inspiring! It's the same energy they bring to providing an average of nearly 100 services every month to LOWLINC members...services that range from transportation to running errands to friendly visits to handyman repairs.

LOWLINC would also like to thank this year's parade coordinator Larry Eiben for pulling the whole parade together, and to the LOW Veterans who sponsored the day. All of the floats were magnificent.

Update on Raffle from June 24 Concert on the Point: The rain-interrupted concert on June 24 prevented LOWLINC from announcing the winner of its 50/50 raffle that night. We've been looking ever since, but the winner has not yet been identified. The winning ticket number was 6434530. If you have this ticket, call us at 1-855-LOWLINC (569-5462) to claim the cash -- \$172.00. If the prize isn't claimed, LOWLINC will work with the concert sponsors to determine the best way to handle it.
