**LOWLINC PLEASED TO PARTICIPATE IN CONCERT ON THE POINT**  
**Downpour Cuts Concert Short, Breaks off Raffle Drawing**

By Carolyn Rourke, Board Member, LOWLINC

LOWLINC was very pleased to be hospitality host for the June 24 Concert on the Point. This concert is generously sponsored by area businesses that serve Lake of the Woods and is held once a month during the summertime. LOW clubs and organizations are invited to serve as hospitality host to welcome concert-goers, conduct fund raising and tidy up the venue after the concert. We visited with attendees about LOWLINC and conducted a 50/50 fund-raiser (raffle tickets are sold, with 50 percent of the take coming to the raffle winner and 50 percent coming to the organization).

At intermission, just as LOWLINC President Jeff Flynn was preparing to announce the winner of the 50/50 raffle, the skies opens up and the rains poured down. Concert goers scrambled for shelter, and as the rain continued, everyone started making their way to their cars. The winning raffle ticket never was identified.

By the time this article appears, it will have been two weeks since the concert and hopefully the winner will have come forth. If not, we are still looking! **The winning ticket number was 6434530.** If you have this ticket, call us at 1-855-LOWLINC (569-5462) to claim the cash -- \$172.00 If the prize isn't claimed, LOWLINC will work with the concert sponsors to determine the best way to handle it.

Despite downpour that ended the evening early, it was a fun time, and LOWLINC is honored to have been a part. These free concerts have become big element of the summertime fun here at the lake, and we salute the area businesses that make them possible: DesignCraft Homes, Inspired Electrical, JK Carpets, Lakeside Title and Escrow, Licata Group Real Estate, Locust Grove True Value Hardware, Locust Grove Veterinary Clinic and Townsend Home Health and Hospice Care.
