Millennium Park - 2012

by Tom Preston; pictures by Paul Punchum

Thank you, Mary Jo for leading us on another of your great outings to see the city of Chicago, listen to beautiful music, and experience the "L." This was the third time I had the pleasure of joining this ride. For those interested in a more complete description of the route, please click on the link to the August 2011 newsletter. The weather forecast called for the possibility of a shower and the timing could not have been better. We were all able to keep dry under the umbrella of an information booth next to where we had locked our bikes while we ate lunch and listened to the orchestra. There was a brief discussion about modifying the planned route and the shower passed. We were all happy that we were able to complete the tour as planned. The city is making many improvements along the south end of the lake front path.

The forecast of rain didn't deter this optimistic group.

Below is a link to the pictures Paul Punchum took throughout the day.

Thank you, Mary Jo. Thank you, Paul.

Constitution and Bylaws

By Chuck Dean and Lew Worthem

Based upon Google Group postings, a previous announcement in the newsletter, and the review at the June club meeting, most of you know that the EBC Constitution and Bylaws has been undergoing a review which has led to a set of proposed revisions / amendments. In accordance with the provisions of the existing Constitution which govern the amendment process, the proposed changes are published below. At the EBC club meeting in July, attending members will be asked to vote on the amendments.

The club owes a debt of gratitude to Lew Worthem who chaired a set of three meetings while providing leadership and common sense wisdom to his committee members who conducted the review. At various times across the three meetings, the EBC Executive Board (Chuck, Gerry, Cheri, Lew, and John), as well as Mary Lee St. Aubin, Cindy Reedy, and Nancy Shack, participated and contributed. Thanks again.

To aid you in reviewing the revisions, please note the editing / color coding schema used

below. Text which appears in red denotes the current text of the Constitution and Bylaws expected to be changed or deleted; black text represents the new language / text which you will be voting upon or current text which will not be changed; and text highlighted in yellow represents clarifying remarks about the rationale for the changes. So please take some time and review the proposals.

And we hope to see you at the July meeting.

Community Activities

June was a busy month for all kinds of EBC activities. Members went on a ton of rides in and out of state; and members generously also gave of their time for various community events.

Sam Gunda, Ray Dal Lago, and Lew Worthem at Addison Park District Bike Festival.

The **Addison Park District** event attracted riders from within and outside of the club. Sam Gunda was instrumental in encouraging EBC participation; and that led to EBCers leading rides, promoting the club, and volunteering other assistance on a beautiful day ... as you can see at the left.

Bike to Metra week was another opportunity for EBCers to promote bicycling in general and the club in particular. The EBC banner was proudly displayed at an area Metra train station every work day that week. Active Transportation Alliance provided goodie bags which EBC members gave to commuters who biked to the station. Members also answered questions and provided biking related printed material, including DuPage County Regional Bikeway maps.

Jerome Hughes, Sue Boose, Paul Punchum, Ray Dal Lago, and Nonie Punchum at Elmhurst train station for Bike to Metra.

The **Elmhurst Farmers' Market** is held every Wednesday from June through October from 7 a.m. to 1 p.m. EBC hosts a bicycling information table there every 3rd Wednesday of the month. There is a lot of information on the table for people to take if they want, including maps of the Salt Creek Greenway Trail and the DuPage County Bikeways maps. EBCers answer questions and chat up the benefits of biking to all who stop by. In addition they give free coffee coupons (courtesy of Elijah's Coffee House) to any adult who rides his/her bike to the market, and free ice cream cone coupons (courtesy of the local McDonald's) to any child who bikes there AND wears a helmet.

The June workers were Bob Hoel, Sharon Hermach, Chuck Dean, Cindy Reedy, Joanne Dezur and Cheri O'Riordan. The next time the EBC booth will be at the Farmers' Market is July 18th.

At present, the balance in the treasury is \$14,314.25 with \$857.65 set aside for jersey credits. The Treasurer's report was accepted. The increase in expenses was mainly for awards.
