Congratulations to the 2019 SLADS Year-end Award Winners!! The SLADS board regrets that in light of the Covid-19 outbreak, we had to postpone the Awards Banquet even though SugarFire was taking all the appropriate steps to ensure our safety. We did not reach this decision lightly and felt this was in the best interest of our membership. We also felt the winners should at least be announced and recognized in a public forum. The Board will meet soon to decide further on presentation of awards. Stay safe and stay tuned for further information.
