

## Upcoming ATMob Star Parties

**Club Star Party Coordinator - Virginia Renehan** [starparty@atmob.org](mailto:starparty@atmob.org) - 978-283-0862

### **Oct**

Annual Pollard Elementary School - Plaistow, NH star party. This is a fairly dark site - better than most schools.

There will be a loaner scope and laser pointer available for volunteer.

Date: Oct 22<sup>nd</sup> Friday ( Rain date: Monday Oct 25<sup>th</sup>)

Location: Goudreault's Farm, Plaistow NH, near Haverhill. (Contact Peter Bealo for maps).

Lecturer: TBA - Indoors with projector setup.

Observing: 7 - 9 PM, Setup at 6PM

Attendance: Pollard Elementary School students and family ~350 expected

10 telescopes requested, power available

Refreshments: Food and drinks served

Other goings on: bonfire and related farm festivities

Coordinator: Peter Bealo (603) 382-7039 [PBEALO@COMCAST.NET](mailto:PBEALO@COMCAST.NET)

Date: Oct 27th Wednesday

Location: Parker Middle School, Chelmsford (Go to [www.chelmsford.k12.ma.us](http://www.chelmsford.k12.ma.us) for directions or contact Joan Kadaras).

Lecturer: Jack Drobot

Observing: 7:00 - 9:30 PM, Setup at 6:30 PM

Attendance: 2- 8<sup>th</sup> grade classes + family members. 250 expected.

Power available

Refreshments: will be served

School Coordinator: Joan Kadaras (978) 760-0546, [jkadaras@rcn.com](mailto:jkadaras@rcn.com)

Coordinator : Jack Drobot (978) 692-8093

Date: Oct 16<sup>th</sup> and Oct 27<sup>th</sup> (Sat and Wed respectively)

Location: Oak Ridge Observatory , Harvard, MA.

This is the opening of the 25" telescope. Oct 16<sup>th</sup> is for CfA employees and family, while Oct 27<sup>th</sup> will be open to the public. Volunteers with telescopes, volunteers to help with parking, and volunteers to give telescope tours are requested.
