RETREAT
2021**

*Kentucky

Society*

**Cave City Convention Center
Cave City, Kentucky**

June 16 – 18, 2021

A word from our President, Darlene Rich

Dear Members -- This past year and a half has rocked all of us to our core. The social distancing, watching friends and family suffer through COVID and complete disruption to our daily routines, whether it is meeting friends for coffee, taking the dog to the park, or having to give up our quilting shows, retreats and shopping adventures has affected us all. We are now in the period of baby steps, getting back up, taking those steps that we have not done in a while and moving forward. It is a time of rebuilding. Rebuilding KHQS, our membership and the social aspects of our friendships we had to put on the sideline for the past 18 months. I think of what it was like 40 years ago when our founding members began what we now know as KHQS. They were taking baby steps, did not have the technology, the incredible quilting resources and knowledge at their fingertips like we do today and expanded membership to where we have been over the past few years. Who would know a small group of talented quilters and fabric artists could attract national and international award-winning quilters to come to Kentucky to teach us new skills and techniques? They were a small group of individuals with the same passion for quilting.

I say all of this because, the Board understands our human nature to be a group and to socialize, share ideas and to just meet and show everyone what we have been working on. We have seen COVID restrictions lifting, and events/venues begin to open. We have reached out with our own surveys and have determined to move forward with Getaway. We anticipate participation be dramatically less than in previous years. With that being said, and keeping the event affordable, the Board has decided that this year, 2021, the annual meeting is going to get back to its roots and back to basics, Getaway as we know it will be downgraded to a sit and sew retreat, with our by-law required annual meeting and a lot of fun celebrating the 40th anniversary of KHQS. We will honor our Founding Members, Past Presidents, history, and I am sure antics and high jinks that only the sweet church ladies of KHQS could pull off.

I ask all of you to keep this in mind because we will have some level of restriction. Whether that is temperature checks, wearing masks while walking throughout the facility or having fewer people sit at your table at lunch. The COVID protocol that is put in place is that coming from the CDC to the Governor, to the event locations. We, as KHQS, do not control what the venue is asking of us. We do know we would love to see you and ask that you be flexible with the requirements put in place.

I, along with the Board, invite you for three days in June to come celebrate the 40th anniversary of KHQS, installation of new Board members, rekindle the friendships you know and love, eat, shop, get your scissors sharpened and show off all your talent between challenges and all you have created over the past 18 months. I will guarantee you will leave smiling and your cheeks hurting from smiling too much.

- Darlene

How can you help at Getaway?

It takes many hands to make Getaway successful, and KHQS is fortunate to have numerous talented and helpful volunteers who assist in large and small ways.

Would you like to help this year? Listed below are a number of activities where you can support our event.

- 1) Help with our new Silent Auctions! Our fund raising chair, Kathie Tomazic, can always use an extra pair of hands.
- 2) Donate items for the auction, door prizes, KHAS White Elephant table, and other prizes. No donation is too small or too large!
- 3) The front registration desk must be occupied at all times during Getaway. You can make announcements at meals.
- 4) Bring irons, ironing boards, cutting mats, or rulers to be used in Sit and Sew.
- 5) Assist with showing Challenge quilts or blocks during meetings.
- 6) Other assorted tasks, not yet thought of. :-)
- 7) Assist Vendors with their needs and reaching out to customers and membership, as needed.

If you would like to help out at Getaway, just send me an email. All help is appreciated!

Can't wait to see everyone there!

As changes occur, we will monitor the situation and update you as to the current requirements of The Cave City Convention Center.

DON'T MISS THE OTHER ACTIVITIES AT GETAWAY!

WHITE ELEPHANT SALE: KHAS is continuing the tradition of the White Elephant Sale by accepting donations from anyone who wants to clean out some of those UFO's, unused tools, out-of-date material, etc. from their sewing rooms and donate them. Just bring your cast-offs to Getaway where they will be sold. All profits will be used to fund future KHAS activities. Why not let your trash be someone else's treasure!?! Also, don't forget to bring a few extra \$\$\$ to spend at the sale!

QAK ANNUAL MEETING: Every year, Getaway also hosts the QAK annual meeting. This year the meeting is scheduled at 4:00 pm on Wednesday,

KHAS ANNUAL MEETING: KHAS also has an annual meeting. This year it is being held on Thursday afternoon at 4:00 pm. The meeting offers time for Show and Tell, announcement of winners for the annual KHAS block contest and Quilt Challenge. And, if you are unfamiliar with these challenges, take a few minutes and visit the KHAS table in the main meeting room at Getaway this year. You may just decide that you want to become a member of this group, too!

FUND-RAISING: Check out the Fund-Raising Table in the main meeting room area for merchandise and all kinds of quilting "goodies"! Also be ready to participate in fun games, activities, and surprises that are being planned for this year's Getaway!

SEW TO GIVE—2021

Quilters are a generous and charitable group. We create warmth and comfort for others just for fun! Tell us how you have been using your sewing and quilting talents this past year to reach out and help others.

As a way to share with and inspire each other, please send a description of your charitable sewing or quilting projects and organizations from this past year. Include pictures! We'll build an 'inspiration' display with all your ideas at Getaway. You can even bring a sample with you if you like. Not attending Getaway? We would love to include your ideas and pictures as well!

Lectures

Our very own Vickie Coleman is providing two lectures this year along with a bed turning from her private collection.

Be sure to join us as Vickie walks through quilt history and discusses dating your quilts.

See the program agenda for dates and times.

American Quilt History, an Overview

A trip through quilt history and its relationship to events in American history and women's lives. The PowerPoint presentation covers highlights from Colonial America to the Centennial, The Second Quilt Revival (1880s to 1950s) and The Great Quilt Revival (1960s to 2010). A bed turning will feature quilts from the 1870s through 1970s.

How Old is My Quilt?: Clues to Date Your Quilt

Curious about how to determine the age of your quilt? Quilt style, patterns, colors, fabrics, and bindings/edge treatments all are clues to unraveling the mystery of a quilt's age. A bed turning will feature quilt examples demonstrating the five clues used in determining age. Resources on how to determine age of a quilt and information on how to care for your antique and vintage quilts will be provided.
