

2018 Highlander Nationals: October 20th - 25th

2018 Pipers and Pluckers Regatta: October 22nd

Lake Norman Yacht Club (LNYC) in cooperation with the Highlander Class International Association (HCIA) and Highlander Fleet 27 are pleased to invite you to the 2018 HCIA National Championship Regatta and the 2018 Pipers Regatta. The Nationals event will include the Women's, Junior's and Master's events as described in the schedule below. The Pipers Regatta will consist of all pre-split Nationals racing and will be scored separately. These regattas are designated as non-advertising events.

1. **ORGANIZING AUTHORITY:** The Highlander National Championship is sponsored by the HCIA, LNYC and Highlander Fleet 27. The Pipers event is sponsored by Highlander Fleet 27 and is part of the HCIA annual racing award program (Larry Klein Trophy)
2. The Official Regatta Headquarters will be at the Lake Norman Yacht Club Clubhouse located at 297 Yacht Road, Mooresville, NC 28117.
3. Rules governing both events will be the Racing Rules of Sailing (RRS 2017-2020), the HCIA Class Rules, this Notice of Race, the Sailing Instructions and any amendments thereto. In the event of conflict between the Sailing Instructions and the Notice of Race, the Sailing Instructions and any amendments thereto will prevail.
4. Competitors may enter both events, the HCIA National Championship event only or the Pipers event only.
5. **ELIGIBILITY:** Both regattas are open to all members of the Highlander Class International Association as defined by the class rules.
6. **MEASUREMENT:** All sails and boats will be measured in accordance with the rules governing Highlander Class Racing. The Chief Measurer may select certain measurement points in order to expedite the measurement process. All boats sailing in the National Championship event will meet the same measurement requirements. Unless prior arrangements are made with the Chief Measurer, all boats must enter the measurement process before 1300 hours on Saturday, October 20th, 2018. Boats sailing only in the Pipers event will not be measured but are subject to inspection for meeting required safety standards and HCIA class rules.
