

NEW REGISTRATION APPLICATION

Dear Applicant,

In 1994, a coalition of victim service providers representing numerous statewide advocacy organizations formed the Ohio Advocate Network (OAN). This group recognized the need to publicly affirm the field of victim advocacy, establish professional standards, and encourage specialized continuing education training. Acquiring and maintaining the OAN Registered Advocate credential attests that an individual has achieved a defined level of experience serving victims of crime, has acknowledged the importance of adhering to ethical standards of practice, and has demonstrated a commitment to expand knowledge and improve professional skills through training.

OAN remains dedicated to professionalizing the field of victim advocacy and maintaining a best-practice approach for credentialing. On occasion it is necessary to update OAN policy and procedure. All updates are crafted with a continuing commitment to offer a credentialing process which is achievable, affordable, and meaningful. The Application packets have been revised to reflect updates which are effective beginning December 2020. The OAN Review Committee will only accept the revised applications for review. Applications are accepted twice per year, and must be received between June 1-30 and December 1-31. Please note the current mailing address for submitting all OAN applications, and be aware the Application fees are non-refundable.

Please thoroughly review all information in this packet, and carefully read both the Instructions and the Application for NEW Registered Advocate Status before completing the required documents. All OAN forms and supporting documents may be downloaded from the Ohio Victim Witness Association website at www.ovwa.org. If you have questions about the OAN application requirements or the registration process, and would like technical assistance, you may submit your questions by email to tlajeunesse@co.greene.oh.us, or call (937) 562-5087.

Thank you for your interest in becoming a Registered Advocate with the Ohio Advocate Network and for joining the many victim advocates and allied professionals in Ohio committed to increased professionalization of our field.

Respectfully,

The Ohio Advocate Network Review Committee

NEW REGISTRATION APPLICATION INFORMATION

DEFINITIONS

Victim Advocacy: Providing victim-centered supportive services specific to the distinct circumstances and needs that individuals experience in the aftermath of victimization. Empowering individuals to achieve resiliency, recovery, and improved circumstances is a primary goal in victim advocacy.

Supportive Direct Services: Services that are specifically designed to assist crime victims and survivors, and which may include crisis-intervention; promoting, protecting, and upholding the constitutional and statutory rights of crime victims; empowerment of the individual through emotional, physical, and informational assistance; advocacy and intervention with other systems a crime victim may encounter; inter-agency linkage and community resource referral.

Victim Advocate: One who recognizes and respects the distinct circumstances and needs of those victimized by crime, achieves a working knowledge of the common legal, social, and psychological issues which impact crime victims, and maintains the necessary skills to offer focused assistance within a victim-oriented professional and ethical framework.

Allied Professional: One whose affiliation is with an organization that does not exclusively serve crime victims as their primary mission, and/or whose typical occupational responsibilities fall outside of the traditionally recognized roles of a victim advocate, but who does provide supportive direct services to crime victims during the course of their professional or volunteer duties.

APPLICATION REQUIREMENTS – NEW REGISTERED ADVOCATE CREDENTIAL

To apply as a NEW applicant for the OAN Registered Advocate credential, an applicant must:

- Be a victim advocate, a qualifying volunteer, or a qualifying allied professional.
- Submit a completed NEW Registered Advocate Application and all required supporting documents.
- Submit authorized documentation which verifies qualifying direct service hours. Qualifying direct service experience, in a paid and/or volunteer capacity, includes advocacy services to victims/survivors of crime including but not limited to sexual assault, intimate partner/domestic violence, child abuse, homicide, general felony crime, and general misdemeanor crime.
- Submit documentation which verifies completion of pre-registration training requirements (required hours and topics).
- Submit the required application fee.

ELIGIBILITY REQUIREMENTS - REGISTERED ADVOCATE LEVELS

The accumulated qualifying work experience determines which level of Registered Advocate status may be sought:

Registered Advocate – An applicant at the RA level must have a minimum of 1,950 documented hours of qualifying direct service work experience, in a paid and/or volunteer capacity, providing advocacy services to crime victims/survivors.

Registered Advocate with Advanced Standing – An applicant at the RAAS level must have a minimum of 7,800 documented hours of qualifying direct service work experience, in a paid and/or volunteer capacity, providing advocacy services to crime victims/survivors.

Registered Advocate with Senior Standing – An applicant at the RASS level must have a minimum of 11,700 documented hours of qualifying direct service work experience, in a paid and/or volunteer capacity, providing advocacy services to crime victims/survivors.

REQUIRED PRE-REGISTRATION TRAINING

In addition to accruing direct service work experience, an individual applying as a NEW applicant for the Registered Advocate credential must complete the required pre-registration training. To qualify, all pre-registration training must have been completed within the four-year period immediately preceding submission deadline of the application. As an example, all pre-registration training for an applicant applying in December of 2020 must have been completed between January of 2017 and December of 2020.

- To qualify for the Registered Advocate credential, at any level, the NEW applicant must complete at least 24 hours of pre-registration training, as outlined in the Training Area Guideline (TAG) List, Series A.
- Pre-registration training may be completed in a variety of formats, including virtual/electronic training events such as a webinar or an on-line module. However, at least 18 hours of the required 24 hours of pre-registration training **must** be completed at in-person training events.
- At least 1 hour of training must be completed in each of the 14 required training categories - meaning all 9 Core Topic Categories and all 5 Specialized Core Topic Categories for the applicant's specified discipline(s).
- The remaining 6 hours of required pre-registration training may be completed in any of the approved topics listed in the TAG List, Series A.

The OAN Review Committee has pre-approved four comprehensive Victim Advocacy Training Courses. While attending one of these four courses is not mandatory, completion of any of the courses listed below fulfills the pre-registration training requirement of 24 hours, AND, covers all required Core Topics and Specialized Core Topics for the specified discipline. If a pre-approved training course was completed virtually, the applicant would still need to document an additional 18 hours of TAG List approved training (any topic) which was completed in-person.

- Ohio Attorney General's Office **BASICS Academy** (General/Multi Discipline)
- Ohio Domestic Violence Network **Domestic Violence Advocacy Fundamentals** (Domestic Violence Discipline)
- Summit County **Victim Assistance Academy** (General/Multi Discipline)
- Ohio Alliance to End Sexual Violence **Training Institute for Sexual Violence Advocates** (Sexual Assault Discipline)

Sufficient documentation must be submitted to verify the applicant has completed at least 24 total hours of training (with at least 18 of the hours at in-person events) AND that the training completed has covered all 14 required training topics.

- Acceptable documentation includes a Certificate of Completion or Attendance that reflects the training date(s), training sponsor, number of training hours approved, and the training title.
- If the Certificate does not contain all sufficient detail (as listed above), or if the topic(s) covered in the training are not apparent from the title, a Registration flyer, Confirmation form, Training Agenda, Course Overview, Syllabus, and/or similar descriptive document must also be submitted.
- An applicant may have completed more than 24 hours of training. It is not necessary to send documentation for every training event attended. Please limit submissions to the fewest number of documents necessary to verify completion of the required training hours and all required training topics.

Certify whether each position was paid or volunteer, and whether each position was full-time or part-time. Certify the total number of documented direct service hours accrued in each position. SECTION 7:

National Organization for Victim Assistance

Adopted by the NOVA Board of Directors, April 22, 1995

CODE of PROFESSIONAL ETHICS for VICTIM ASSISTANCE PROVIDERS

Victims of crime and the criminal justice system expect every Victim Assistance Provider, paid or volunteer to act with integrity, to treat all victims and survivors of crime—their clients—with dignity and compassion, and to uphold principles of justice for accused and accuser alike. To these ends, this Code will govern the conduct of Victim Assistance Providers:

I. In relationships with every client, the Victim Assistance Provider shall:

1. Recognize the interests of the client as a primary responsibility.
2. Respect and protect the client's civil and legal rights.
3. Respect the client's rights to privacy and confidentiality, subject only to laws or regulations requiring disclosure of information to appropriate other sources.
4. Respond compassionately to each client with personalized services.
5. Accept the client's statement of events as it is told, withholding opinion or judgment, whether or not a suspected offender has been identified, arrested, convicted, or acquitted.
6. Provide services to every client without attributing blame, no matter what the client's conduct was at the time of the victimization or at another stage of the client's life.
7. Foster maximum self-determination on the part of the client.
8. Serve as a victim advocate when requested and, in that capacity, act on behalf of the client's stated needs without regard to personal convictions and within the rules of the advocate's host agency.
9. Should one client's needs conflict with another's, act with regard to one client only after promptly referring the other to another qualified Victim Assistance Provider.
10. Observe the ethical imperative to have no sexual relations with clients, current or past, in recognition that to do so risks exploitation of the knowledge and trust derived from the professional relationship.
11. Make client referrals to other resources or services only in the client's best interest, avoiding any conflict of interest in the process.
12. Provide opportunities for colleague Victim Assistance Providers to seek appropriate services when traumatized by a criminal event or a client.

II. In relationships with colleagues, other professionals, and the public, the Victim Assistance Provider shall:

1. Conduct relationships with colleagues in such a way as to promote mutual respect, public respect, and improvement of service.
2. Make statements that are critical of colleagues only if they are verifiable and constructive in purpose.
3. Conduct relationships with allied professionals such that they are given equal respect and dignity as professionals in the victim assistance field.
4. Take steps to quell negative, insubstantial rumors about colleagues and allied professionals.
5. Share knowledge and encourage proficiency and excellence in victim assistance among colleagues and allied professionals, paid and volunteer.
6. Provide professional support, guidance, and assistance to Victim Assistance Providers who are new to the field in order to promote consistent quality and professionalism in victim assistance.
7. Seek to ensure that volunteers in victim assistance have access to the training, supervision, resources, and support required in their efforts to assist clients.
8. Act to promote crime and violence prevention as a public service and an adjunct to victim assistance.
9. Respect laws of one's state and country while working to change those that may be unjust or discriminatory.

III. In her or his professional conduct, the Victim Assistance Provider shall:

1. Maintain high personal and professional standards in the capacity of a service provider and advocate for clients.
2. Seek and maintain a proficiency in the delivery of services to clients.
3. Not discriminate against any victim, employee, colleague, allied professional, or member of the public on the basis of age, gender, disability, ethnicity, race, national origin, religious belief, or sexual orientation.
4. Not reveal the name or other identifying information about a client to the public without clear permission or legal requirements to do so.
5. Clearly distinguish in public statements representing one's personal views from positions adopted by organizations for which she or he works or is a member.
6. Not use her or his official position to secure gifts, monetary rewards, or special privileges or advantages.
7. Report to competent authorities the conduct of any colleague or allied professional that constitutes mistreatment of a client or that brings the profession into disrepute.
8. Report to competent authorities any conflict of interest that prevents oneself or a colleague from being able to provide competent services to a client, or to work cooperatively with colleagues or allied professionals, or to be impartial in the treatment of any client.

IV. In her or his responsibility to any other profession, the Victim Assistance Provider will be bound by the ethical standards of the allied profession of which she or he is a member.
