

## Kenosha Yacht Club Covid-19 Update - May

The Kenosha Yacht Club places the health and well-being of our membership, the community, and the state as a high priority. While the state and county have rescinded their mandated covid pandemic policies, the Kenosha Yacht Club will adhere to best practices as outlined by Kenosha County.

Specifically, the restaurant and bar will remain closed until Safer-at-Home is phased out and business opening guidelines clearly established. The KYC strongly recommends the use of masks and social distancing when working on stored boats, participating in launching, or merely strolling the grounds as weather permits. We highly recommend the use of hand sanitizers and hand washing. Meetings and events of more than 10 persons will be done virtually unless they can be done while adhering to strict social distancing guidelines.

We look forward to the days when we can all again enjoy the camaraderie of fellow members as well as the food, drink, grounds, and events that make our club so special.
