Never flown in a glider? Now's the time! Demo glider flights are \$50.....\$40  
for those who fly in. Flights limited by demand, of course, first-come, first  
flown...2 gliders available.

We hope to see you at our beautiful airport! The runway is a generous 3,400 X  
300 with adequate parking for a good number of airplanes. *Powered traffic us-  
es LH pattern and gliders use RH so be alert for possible glider traffic on oppo-  
site side who has the right of way.*

Our airport (identifier is 4AR5) is 13 miles west of Gilmore VOR.  
Call Lawrence Field Air Boss 5 miles out for traffic and active runway.  
CTAF is 123.3. Full airport details available under the AIRFIELD INFO tab at  
[www.memphis-soaring.org](http://www.memphis-soaring.org)
