

## **Association of Rental Housing Professionals**

### **Mission Statement**

*Our mission is to provide owners and managers of rental housing the tools needed to grow a profitable business by offering residents housing that is well maintained, peaceful, and a place they will call home for many years.*

To accomplish our mission we will:

- Offer education to our members on best business practices;
- Provide services that are essential to managing rental housing;
- Foster communication and camaraderie among our members so that we support one another in growing our business; and
- Advocate for the interest of housing providers in the legislative process so that the regulation of rental property is fair in the treatment of our members and effective in ensuring quality rental housing for our residents.
