2018 Ski Trips

Please take a look at our ski trips for 2018. I think you are going to like our lineup. There is a little something for everyone.

This year we decided to slot our domestic trips to Epic Pass destinations. If you have a 2017-2018 Epic Pass, you can save by opting out of purchasing a lift pass.

We have two perennial skier favorites: Whistler and Vail. Both are world class ski destinations with lots of terrain for all ski levels.

I'm proud to announce that the drought in the Sierras is over! Lincoln Park is returning to Lake Tahoe after a long absence with a value priced trip. Ski Heavenly, Northstar or Kirkwood, then try your luck at a casino in the evening.

Lastly we are offering a limited number of spots on a European trip to the Italian Alps. If you've never skied in Europe, I highly recommend it. It will change your view of our favorite sport. It's not just skiing but also a cultural journey. And who doesn't love Italy with its out-of-this-world food and *la dolce vita*?

When your interests are piqued, go to our website and sign up. For more information or questions, contact the trip leader at the email address listed under the trip.

Best Regards,  
*Julie Goodman*  
LPSC President 2017-2018
