

LAKE BALBOA FLY CASTING PRACTICE AREA

Come practice and improve your casting skills! Instructors are there to assist you on many Saturdays from 9 to 11 AM. Use the parking lot that's shown on the map...it's just east of the children's play area. If the lot is full just park on the street. Be smart—lock any valuables inside your trunk before you drive to the park—don't invite theft.

CAUTION: This is a duck, coot, and goose friendly area...there's always plenty of poop on the ground...good shoes or sandals are definitely *not* recommended!
