

## Who is Mi-GMIS?

Mi-GMIS is the Michigan Chapter of GMIS, an international organization of IT professionals employed by Cities, Townships, Villages, Counties and the State.

Now more than ever, governments are dependent on technology to become more efficient and cost effective. Many government entities experience similar challenges and opportunities. Mi-GMIS provides an opportunity to share technology projects, experiences and ideas between government agencies to capitalize on the benefits technology advancements provide.

timely solutions  
to fit your needs

### BELONGING TO Mi-GMIS EMPOWERS YOUR ORGANIZATION

- By providing tools and insights for increased efficiency
- Through networking and collaborative opportunities
- With educational access to timely information
- With assistance in finding solutions to ensure that your organization is working most efficiently to accomplish more with less resources

### HOW CAN Mi-GMIS HELP?

- Mi-GMIS members discuss products and strategies that are being used effectively in Michigan and around the country.
- By sharing ideas, tools, software, and hardware experiences, Mi-GMIS members have an advantage in that they have contacts at the Municipal, County and State level that keep them informed.

### CONNECT

Mi-GMIS hosts a Fall Conference annually to help connect and inform its members

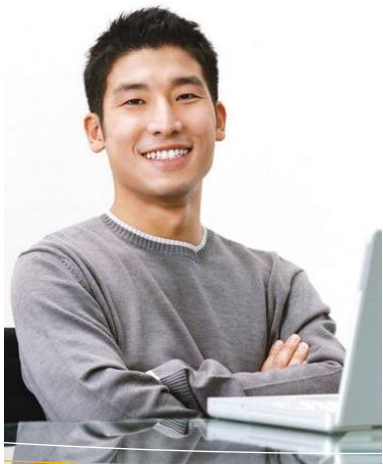

### LEARN

Members receive full access to [www.GMIS.org](http://www.GMIS.org), the GMIS international website as well as the [www.Mi-GMIS.org](http://www.Mi-GMIS.org) state chapter site.

### SHARE

With access to the Mi-GMIS ListServ, you're never more than a click away from the valuable information you need to do more with less
