## ***Map & Compass Class***

Here's your chance to take an in depth map & compass course. This class meets our patroller level requirement and is also open to the public! We will spend Saturday's session teaching land navigation topics such as USGS topo maps, compass use, scale & topography, bearings & headings, triangulation, UTM coordinates, Map datums, land survey lines & legal descriptions. We will put it all together and practice our skills during Sunday's all day field session.

### **Highlights**

- Weekend Class
- Saturday Classroom
- Sunday Field
- A needed foundation of knowledge for future GPS use
- Same class required for our Patrol members
