

## **RULES FOR OCCUPACE OF GOVERNMENT OWNED BUILDINGS**

### **WHO CAN STAY?**

Hut use will be limited to patrol member volunteers, their spouses, immediate families, blood relatives, legal guardianships of either the volunteer or spouse, and legal permit holders. The district, at their discretion, may grant special permission. Friends of patrol members must register with the forest service for use of the huts, just as the public would.

### **WHY CAN A VOLUNTEER STAY AND NOT THE GENERAL PUBLIC?**

The occupants must be performing some service to the El Dorado National Forest in their professional or volunteer capacity. These could be general tasks or specific projects assigned when you make arrangement for your stay. Some general tasks may include removing snow from doorways, decks, and roof, cleaning the facility and public restrooms, performing trailwork, patrolling, providing public assistance and information, splitting and stacking firewood, and handling minor repairs and other maintenance items.

### **CAN I JUST SHOW UP?**

No. If you intend to use the facility, you must make arrangements in advance with the Forest Service.

Thank you for your assistance with the Forest Service Volunteer program. Please help us in assuring the continuance of this program by the following rules listed below.

- ✂ Smoking and the use of drugs are prohibited in government buildings. Alcohol is allowed in government owned building but irresponsible alcohol use and alcohol use on duty will not be tolerated.
- ✂ Dogs are not allowed in the building. Any dogs outside must be on a leash. Please clean up after your dog.
- ✂ Weapons and Explosives. No person while on the property shall carry firearms, other dangerous or deadly weapons or explosives, either openly or concealed, except for official purposes.
- ✂ When you leave, the facility will be clean (sweep and mop floors, clean surfaces, vacuum, clean out refrigerator, and remove your trash) and secured (all doors and windows locked, lights are off, and alarm is set).

Please respect these Federal Regulations.

I have read, understand, and agree to the terms stated above. I realize that my use of government facilities is a privilege extended to me as a volunteer by the Forest Service, and is revocable at any time for failure to comply with the above terms.
