The Memphis Investors Group (MIG), is a not for profit organization. Members of MIG treat this organization with the utmost professionalism.

The MIG Member is civic minded and operates according to the highest ethical standards. The MIG member should recognize that the interest of the community requires the highest and best use of the land and its buildings. The MIG member recognizes the need for adequate housing and the preservation of a healthful environment. The members of MIG share a common responsibility to maintain and improve housing. The letters M-I-G will be synonymous with competency, fairness, integrity and honor.

MIG attempts to introduce and teach ethical topics related to Real Estate Investing, however, the MIG Member or Visitor should be mindful to do their Due-Diligence and research the topic thoroughly, consulting with Legal Counsel, Accountants, Tax Advisors, etc., prior to putting into practice anything learned at a MIG meeting. MIG's goal is to educate and network, however, mistakes can be made and laws change, therefore, it is the MIG Member or Visitor's responsibility to make sure that topics taught, whether live or via transcript/recording are relatable to their own special circumstances prior to practicing concepts learned at a MIG meeting.
