Dear Members of the President's Circle Corporate Leaders,

I am happy to thank you for your commitment to Dana-Farber Cancer Institute and the Jimmy Fund through President's Circle Corporate Leaders. Your generous and continued support enables Dana-Farber's experts to apply their skills in unique collaborations that push the boundaries of cancer medicine. Gifts like yours allow these dedicated scientists and caregivers to set the gold standard for patients and survivors today while focusing on cures and prevention for future generations. Dana-Farber's mission to reduce the burden of cancer moves forward because of your kindness.

Enclosed, please find a President's Circle Corporate Leaders decal to show our appreciation for your steadfast commitment. On behalf of all of us here at Dana-Farber, thank you for your partnership.

If I can be of any assistance to you, please do not hesitate to reach me by phone at 617-632-4780 or by email at Alex_Buonfiglio@dfci.harvard.edu.

With gratitude and appreciation,

A handwritten signature in black ink that reads "Alex Buonfiglio".
