Dear Marc,

Thank you on behalf of the entire Home Base team for your gift. These are extraordinary and uncertain time, and we greatly appreciate your commitment to our mission. Your gift provides hope and healing to Service Members, Veterans, and their Families.

Home Base's number one priority has always been to deliver the best care possible to our warriors and their families. As our nation begins to shelter in place, and our hospital shifts to a wartime footing to wage war on this insidious virus, our team has developed innovative solutions to continue delivering critical care and support to our community.

None of the milestones reached over the last decade, and for decades to come, would be possible without the dedication of our amazing staff and the unwavering support from people like you. Please accept my profound thanks for your compassion, generosity, and support of our mission.

Sincerely,

Jack Hammond

Marc, Many thanks for this generous gift of support. These are very difficult times, and many of the non-clinical team from Home Base are serving at the Boston Hope Covid field Hospital with me at the convention center.

When this is all over we would love to host you at the Clinic in Charlestown where Home Base operates.

Thanks again,

NEW ENGLAND CENTER

A SILENT HOME FOR VETERANS

Dear Friends,

Thank you for your gift of \$2,000.00 to support the New England Center and Home for Veterans (NECHV). Your generosity has a direct and positive impact in the lives of the Veterans served at the Center and enabled us to successfully design and implement a comprehensive program focused on helping Veterans achieve successful independent living and gain meaningful employment.

Now in its third decade of service, the Center is a multidimensional service and care provider for former military service men and women offering a broad array of programs and services that enable success, reintegration, meaningful employment and independent living. The Center incorporates a collaborative and networked community model of service, and has partnerships with medical facilities, government agencies, educational institutions, businesses and other service providers to support the needs of all Veterans who face challenges. Our experienced professionals will continue to provide Veterans with the tools to achieve success. However, it is truly your support that makes this all possible.

The generosity of donors has always been a cornerstone of the Center's effectiveness. The NECHV would not be the strong, viable organization that it is today without your ongoing philanthropic support. This goodwill has allowed the Center to expand and tailor its offerings as we identify the specific needs associated with our service men and women of all eras, including those who have returned from Iraq and Afghanistan. We are grateful for your stalwart dedication to our mission.

On behalf of our Veterans, thank you.

Warm regards,

C. Andrew McCawley
President and Chief Executive Officer
New England Center and Home for Veterans

Thank you very much for your generous gift of support (P)

NECHV is a charitable organization qualified under section 501 (c)(3) of the IRS code. No goods or services of any kind were received in consideration for this gift. All or part of your gift may be tax deductible as a charitable contribution. Please check with your tax advisor.

Dear Mr. Pimental:

On behalf of the students, staff and families of the Boston Higashi School, I would like to thank the Boston Foreign Commerce Club Inc. for their generous donation of \$2,000.00 from their 2018 Annual Golf Tournament held at Sandy Burr Country Club in Wayland on May 24th. As an entity that is new to us, we are extremely grateful for your support and kindness. In my recent interactions with Jack and yourself, I feel blessed to be associated with the two of you.

With autism affecting one in every 68 children born in the United States today, our work is important and your support means the world to us. We are in our 30th year of serving children and families impacted by autism and we feel strongly that nobody does it better. We have a world class facility, great programs and a staff that is second to none. We will be excellent stewards of your donation and every penny will go directly into our programs supporting children and young adults ages 5-22.

In closing, thank you for thinking of us and all the work you do supporting programs such as ours. We hope to hear from you again and please keep in mind that our doors are always open to you and other members of the Boston Foreign Commerce Club Inc.

Sincerely,

Paul Fanning
Chief Development Officer
