In addition to our monthly visit we will be hosting 42 inmates at Hancock State Prison from May the 16th till May the 19th of this year. **Please** help us during this special time.

To sign up visit www.KairosHSP.com

Help us bless the inmates we serve. We start working with 42 inmates on Thursday and end our program on Sunday followed by monthly visits. Our motto is Listen Listen Love Love. So we shower them with thousands of homemade cookies, name brand sodas in 2 liter plastic bottles, individually wrapped snack cakes and chips.

Other touching forms of support include children's agape letters, personnel commitments to pray for the inmates and our team.

Sign up on our site for one or more time slots in May. An impressive physical display is made to show the inmates just how many people are praying for them.
