

**Houston Claims Association  
2017 Fall Golf Tournament**

Dear Friend and Supporter:

The Houston Claims Association has a long standing history of initiating and supporting Continuing Education programs designed to help area claim/insurance industry representatives and organizations with maintaining their licenses. In addition, we also have implemented a **College Scholarship Program Fund** to help and financially assist area High School students (who are children of qualified HCA members) achieve their dreams of attending a higher level of education in College. With this in mind, The Houston Claims Association will be hosting its Annual Fall Golf Tournament Fund Raiser.
