Dear Friend and Supporter:

The Houston Claims Association has a long standing history of initiating and supporting Continuing Education programs designed to help area claim/insurance industry representatives and organizations with maintaining their licenses. In addition, we also have implemented a College Scholarship Program Fund to help and financially assist our members' High School and College students achieve their dreams of attending a higher level of education in College. With this in mind, The Houston Claims Association will be hosting its Annual Spring Golf Tournament Fundraiser. The goal again this year is to raise monies for our HCA Scholarship Fund to continue to provide as many awards as possible to qualified High School and College Students. This year we have also decided to include a co-beneficiary to our tournament: MD Anderson's Children's Art Project. Supporting this charity allows us to also designate funds to any of the other charities supporting MD Anderson.

With your generous support, we will achieve our goal.

DRESS:

Soft spikes only. Proper golf attire only. No blue jeans or collarless shirts allowed on the course.

EXTRAS:

- Light breakfast will be served
