**PRESIDENT'S POST**

Volunteers are the heartbeat of any non-profit organization and Aging in Place-The Woodlands (AIP-TW) is no different. AIP-TW is an all-volunteer organization and it operates using a “virtual” office. With little overhead we are able to keep expenses to a minimum and focus our attention on serving our seniors as they age in place. However, we do need to increase our volunteer base so we can grow our membership and add more activities for members.

If you or a friend might be interested in becoming a volunteer for AIP-TW we would love to hear from you! We have various roles that may interest you such as: driver, call operator, or handyman. We also have committee and board of director positions open. You are welcome to attend our next board of directors meeting on August 13<sup>th</sup>, 5-7 PM at Villa Sport to learn more about our organization or contact me at 281-845-4441 or [aiptwtx@gmail.com](mailto:aiptwtx@gmail.com)

I am so grateful for all of our volunteers. Your compassion is inspiring!

Peggy Reinhold  
President, AIP-TW

### VOLUNTEER SPOTLIGHT

**Marsha Vienneau** is a friendly, gregarious person who has never met a stranger and thoroughly enjoys participating in AIP-TW's rideshare program.

She is the wife of our former president, **Bob Vienneau**, who was a member of the Founders Committee, served as Board of Directors secretary, and spent many hours setting up the AIP-TW website and virtual office.

Born in Somerville, Massachusetts, and raised mainly in the Midwest, Marsha went to college in Indiana and has lived in eight states in various parts of the country. Her career in the oil and gas industry spanned 41 years. Before retiring she spent the last 11 years as an independent contract landman for companies large and small.

Marsha did missionary work in Guatemala in the 1980s and has taught Bible studies for more than 20 years. She has a daughter, son-in-law and 16-year-old grandson. "By marriage to Bob, God fulfilled my dream of having many children by adding his daughter and son, their spouses and four grandchildren to our closely-knit family circle," she says. Bob posted photos on Facebook of him and Marsha celebrating his birthday with family and friends last month and agreed that life couldn't be better.

Marsha loves to be in the garden and has turned their backyard into a very special refuge, including an ecological (no water) koi pond.
