HERRINGTON HARBOUR SAILING ASSOCIATION

Rose Haven on the Bay
Friendship, MD 20758

Dear Friends:

HNSA held its first general meeting on April 12, 1981, at the Herrington Harbour Restaurant, Rose Haven on the Bay. Thanks to the many interested persons in attendance and the encouraging participation, the meeting was a real success and indicative of the Association's potential. Following a welcome and introduction, the racing and cruising programs were presented. The restaurant provided a bar and served excellent hors d'oeuvres (for which special thanks are extended to Ernie Keyworth and Karen Keyworth).

At the meeting, it was agreed that all persons interested in the Association's Cruising Program will meet at the Herrington Harbour Restaurant on Sunday, April 26, 1981, at four o'clock (1600 hours) to further formulate this summer's activities. Also, all interested persons desiring further information on participation and instructions regarding the Association's Racing Program will meet on the same date at six o'clock (1800 hours). These meetings are open to all interested persons so please attend and express your interest.

Committees are being formed at this time and many thanks go to the individuals who signed up at the meeting for the Cruise Committee, Race Committee, Social/Entertainment Committee, and Newsletter Committee. If you are interested but have not signed up for a committee, please let us hear from you.

For those that were unable to attend the April 12, 1981, meeting, please be advised that membership dues include an initiation fee of \$10, and annual dues of \$20; however, for Charter Members (those persons who become members on

or before May 12, 1981) the Association has dispensed with the initiation fee and only the annual dues in the amount of \$20 are applicable. Please pay before the May 12 deadline to have your name included on the membership roster.

In closing, many thanks again to those able to attend the first meeting; your interest and participation is appreciated. Please accept our invitation to attend the meetings scheduled for April 26, and sign up for your favorite committee. And last, please remember to remit Charter member dues on or before May 12, 1981 (please make check payable to Herrington Harbour Sailing Association).

Thank you!
