"FLASH"

DON'T FORGET THE ANNUAL AWARDS BANQUET TO BE HELD SATURDAY, DECEMBER 4.
RESERVATIONS SHOULD BE MAILED BY NOVEMBER 26. (SEE PAGE 2 AND RESERVATION
FORM ATTACHED AS LAST PAGE.)

Dear Friends:

The Annual Meeting of HHSA was held October 24, 1982, for purposes of electing/nominating officers for 1983, presenting amendments to the Constitution and By-Laws, and receiving Committee reports. Ballots were distributed to those members in attendance and absentee ballots were mailed to those unable to attend.

The ballots have now been received and the election results for the 1983 officers include Commodore: Will Keyworth; Vice-Commodore: Rusty Morrison; Rear Commodore: Jim Hargreaves; Secretary: Ron Daily; and Treasurer: Joe Sarnowski.

In addition, the two proffered amendments to the Constitution and By-Laws passed.

The elected officers will assume their duties on January 1, 1983. The amendments to the Constitution and By-Laws take effect immediately.

A sincere thank you is extended to the HHSA membership for its interested and significant participation.

HHSA AWARDS BANQUET

Please remember that on Saturday, December 4, 1982, HHSA will hold its Second Annual Awards Banquet at Herrington Harbour Restaurant.

If you have not sent in your reservation form, please try to have it in the mail to Josie by November 26, 1982. The form is attached as the last page of the newsletter.

As previously indicated, the evening will begin at 7:00 p.m. with cocktails and a terrific slide show (featuring the 'Round the Bay Cruise). An excellent dinner will then be served at approximately 8:00 followed by the awards presentation -- and later dancing.

For those wishing to stay close by after the banquet, rooms are still available at the Herrington Harbour Motel. For reservations, please call 855-8399.

BEAUTIFUL WEATHER GREET'S LAST CRUISE

Hans and Pat Ulander did the impossible. Not only did these great folks put together a fantastic cruise program for the journey to Galesville, but they also pulled a few strings making the weather forecasters look vacutious. What had been expected -- a wet and cold weekend -- turned out to be an absolutely beautiful weekend with mild sunny days and for Sunday, plenty of wind for a thrilling reach back to Herrington Harbour.

At Galesville, fifteen HHSA boats tied up at Pirates Cove Marina for a fun afternoon-evening of walking the town and conviviality. At one end of the "T" pier, Pat Ulander served delicious hot spiced wine from aboard "MISS MUFFET II," while at the other end, George Cooper was passing around his home brewed wine aboard "QUEST," the beautiful new Endeavor 37 of Jim and Doris Wright. At one point there were 28 friendly folks frolicing in the cockpit of "QUEST." It is believed a new record was set.

In addition, Chris Cooper led a guided tour to the new Cooper waterfront estate, recently purchased by Chris and George, located in Galesville on the bank of the West River. With its three private piers and seven bedrooms, what a great rendezvous point. Chris advises however, to bring a paint brush.

The evening meal was taken together at the Pirates Cove Restaurant warmed with friendly conversation and a nice fire in the fireplace.

It was a wonderful weekend and thanks and gratitude are extended to Hans and Pat for doing such a terrific job.

Also, for those fortunate enough to be walking down "K" dock Sunday evening after the cruise got a taste of Carole Sarnowski's "Warm-your-freezing-buns-chile." Yes Carole, it does warm your buns -- in more ways than one.

Congratulations are extended to Tony and Martha Kowalski, owners of a beautiful sparkling new O'Day 28. While we will miss "PEA SOUP" the Kowalski's Cal 20, we look forward to seeing "SEVENTH HEAVEN" (the new O'Day) cutting quite a swath in Herring Bay. Hey Tony, one question. Where did you get the name "PEA SOUP"...? Is it from "sailing in fog as thick as --- ----"?

First the Bad News:

Jack and Sue Barbee were recently transferred by Mobil Oil from its Fairfax, Virginia headquarters to Tokyo, Japan, for a few months. From there they will go to Yanbu, Saudi Arabia, for a couple of years. HHSA will miss these good folks, especially those who were so fortunate to enjoy their wonderful company during the 'Round the Bay Cruise, in which they sailed "LA VIDA" their Catalina 27.

Now the Good News:

Recently Joe Sarnowski received a letter from Jack to be shared with the Association. It's great to hear from the Barbees and below are excerpts from his letter.

"Two scotches while listening to 'Chariots of Fire' */ have mellowed me enough to take pen in hand.

"Here we are in Tokyo and sometimes when I look at the drawing of 'LA VIDA', I wonder why. If your October has been as nice as it has here, you have had some wonderful days on the Bay. I envy you.

"Sailing aside, however, things have gone great since we left. The trip over, with one night stop in Honolulu, went well although it was very tiring. Japan itself is fantastic. Our apartment is right in the middle of one of the main nightclub areas, but Sue has kept a tight rein on me -- so far.

"We just got the HHSA ballot -- I have one question. Is Sarnowski qualified to be treasurer? Mobil maybe, but something as important as HHSA???

"Hope to see as many of you as possible when we come through. Well, the scotch has worn off and 'Chariots of Fire' is over so I'm about out of inspiration. Hope the winter isn't too long so you can be on the Bay early next year."

Regards to all,
Jack
