Dear Friends,

The program included opening remarks, announcements, reports from the members of the executive committee,\* voting on an amendment, the nomination and election of officers, new business, and adjournment.

The election results for the 1984 season include:

Commordore:	Bob Enstam
Vice Commordore:	Al Walker
Rear Commordore:	Earl Hall
Secretary:	Jayne Spence
Treasurer:	Kathy Hall

Hearty congratulations are extended to these outstanding individuals. Additionally, to all candidates and nominees that participated in the election process, this Association has been extremely honored with your presence and your willingness to serve. Sincere gratitude is extended to each and everyone.

Besides the election of officers, the amendment to the Constitution proffered by the Executive Committee was adopted.

\*Attached is a copy of the Association's financial statement submitted at the Annual Meeting by Earl Hall, HHSA's Treasurer.

As a result of this action, the Executive Committee will be expanded to include the Membership Chairperson and the Newsletter Editor.

The elected officers will assume their duties on January 1, 1984. The amendment to the Constitution takes effect immediately.

To Rusty Morrison, HNSA's Vice Commodore, thank you for the exceptional job you performed in conducting the meeting in such an orderly, fair, and expeditious manner. To Al Walker, thank you for arranging the room, ensuring sufficient libation for the crew, and providing for a nice snack tray afterwards. To the rest of the Executive Committee, thanks for your fine reports. And last, but certainly not least, a sincere thank you is extended to the HNSA membership for its interested and significant participation.

RESULTS OF HNSA'S FALL SERIES  
AND LA TRAPPE CREEK RACE

The participants of HNSA's Fall Series were greeted with beautiful Indian Summer days, with light air, as well as some challenging brisk fall breezes as the Association's final series came to a dramatic finish with several exciting races. For the daring participants of these thrilling "round the buoy" challenges, it was a grand way to bring to a close HNSA's 1983 racing season.

The results of the Fall Racing Series are as follows:

<u>Place</u>	<u>Spinnaker</u>	<u>Non-Spinnaker</u>
1st	Neff ("Columbine")	Marquez ("Free Bird")
2nd	Morrison ("Amydala")	O'Sullivan ("Los Sebranstos")
3rd	Bjorklund ("Escapade")	Doyon ("Circus")

Over the Columbus Day weekend (October 8-10) the cruisers and racers joined together for a three-day cruise on the beautiful Choptank River. One of the events taking place on this outing was a point-to-point race on Saturday to La Trappe Creek. It provided a great opportunity for cruisers and racers alike to put their yachts into the competitive mode for a point-to-point race to the eastern shore. For those yachts participating in the Fall Series, their performance was scored in the Fall Series results. However, for those yachts participating as non-series contenders in the point-to-point race, there was special recognition.

The results of this special event are as follows:

1st Place: Hall ("Sweet Harmony")  
2nd Place: Turner ("Barnacale Bill")  
3rd Place: Ordeman ("Wind Song")

Congratulations to all participants of the Fall Series, the La Trappe Race - and by golly all the HHSa race events!!!

Hopefully it has been a fun experience for you.

#### LAST HHSa CRUISE OF 1983

HHSa's cruise to the West River included great sailing and warm memories as a result of a terrific weekend arranged by Cruise Captains Chris and George Cooper.

For the several boats that ventured out into Herring Bay on Saturday (with temperatures in the upper 40's/lower 50's), it turned out to be an exciting sail up the western shore (spectacular in its fall foliage colors of yellows, oranges, and reds) to Galesville located on the shores of the West River. With winds out of the northwest, the sailing participants made good time heading up the bay on a port tack with a beam reach. Upon entering the West River, the boats had a choice of beating into the wind or, as many chose, finishing the last leg under iron mike.

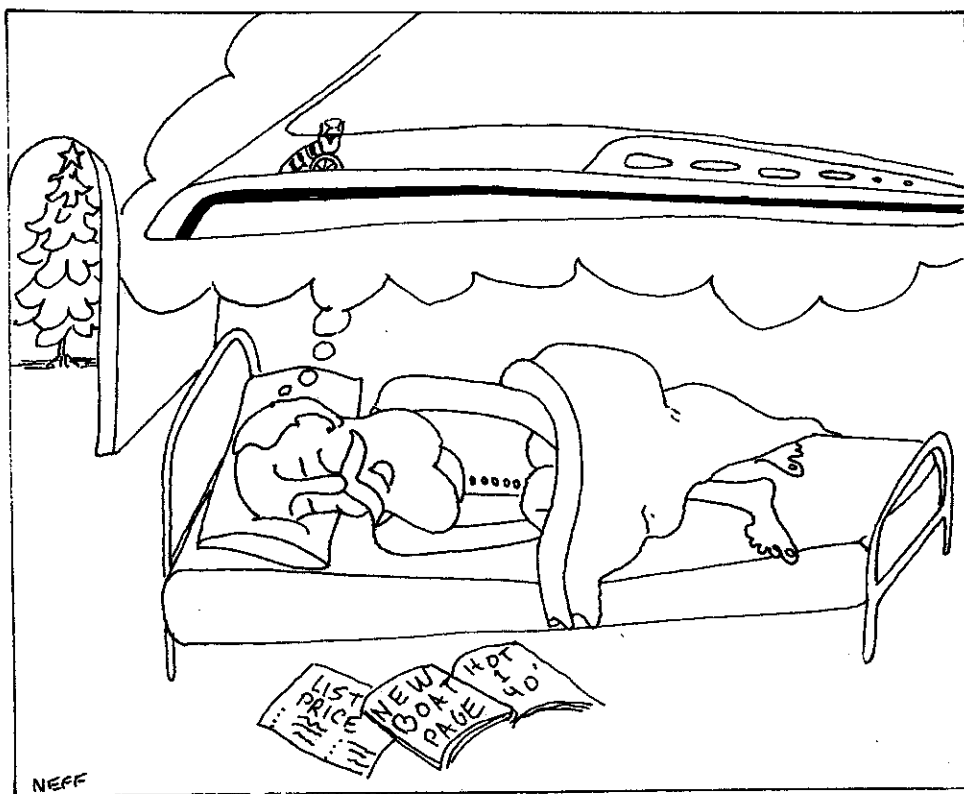

Upon arriving at Galesville, the boats took slips at the Steamboat Landing Restaurant where they were joined by many HHSa members who had decided to make the journey from Herrington Harbour to Galesville by car. Many joined Jim Wright aboard "Quest" for before dinner cocktails.

Once the group was assembled in the restaurant, a good dinner was had by all as they were warmed by a circular fireplace located in the center of the dining room. After dinner many of the more jubilant participants crossed the street to "The Topside" lounge where an extremely rambunctious and rousing sing-a-long continued way, way into the night.

The next morning, a delicious brunch was served at the Cooper's home ("The Bight") located on the shores of the West River.

For everyone that participated in HHSA's grand cruise finale, it was a wonderful weekend. Thanks and gratitude are extended to Chris and George for doing such a terrific job.
