Appendix A - Special Instructions for Cruising Classes 28

Appendix B - Special Instructions for a Rabbit Start 31

Introduction

HSA racing events are governed by the “rules” as defined in the Racing Rules of Sailing (RRS) except as any of these are altered by these Sailing Instructions and any amendments or the HSA Racing Rules.

The current HSA Course Book and HSA Racing Rules are separate documents. However, they are part of the Sailing Instructions and any reference to the Sailing Instructions includes the Course Book and Racing Rules by reference.

Class Definitions

Unless otherwise noted in the individual race sailing instructions below, there will be three classes, each with a separate start. The classes are:

Spinnaker	Boats racing with a spinnaker
Non-Spin Racing	Boats racing non-spinnaker with a sail area to displacement ratio greater than or equal to TBD
Non Spin Cruising	Boats racing non-spinnaker with a sail area to displacement ratio less than TBD

Designating Courses to be Sailed

Class course boards hung on the non-starting side of the Committee Boat will indicate which option of the course is to be sailed – either Short or Long. The Sailing Instructions will specify the classes to be sailed and if starts are to be combined.

Numeral Pennant 5 will indicate the Non-Spinnaker Racing course, or the combined Non-Spinnaker Racing/Cruising course

White Pennant will indicate the Non-Spinnaker Cruising Course

Numeral Pennant 6 will indicate the Combined Spinnaker Course or the Spinnaker B Course

Numeral Pennant 9 will indicate the Spinnaker A course

Non-Spin Racing Board

Non-Spin Cruising Board

Spin B Board & Combined Spin Class Board

Spin A Board

A separate board with either a single letter A through Z or numeral 1 through 4 will indicate which course from the HHSA Course Book will be sailed.

Example Course Board for Course “G”

Starting Sequence

HHSA uses the starting sequence as specified in Racing Rules of Sailing. Additionally, the club requires the use of the ‘L’ flag as defined in the back cover of the RRS to mean “come within hail or follow me” while the committee boat is going on station. The ‘L’ flag will be lowered exactly one minute before the next flag is to be raised accompanied by repetitive horn blasts. Together, these signals will indicate to competitors that the starting sequence is about to commence.

If the start of the race is delayed the AP flag will be displayed with two (2) sounds, and lowered with one (1) sound one minute before the new starting sequence begins.

Example Start Sequence

The following chart shows an example of a starting sequence with spinnaker boats starting first, followed by non-spinnaker classes.

Multiple-Start Sequence

<i>Signal</i>	<i>Flag & Sound</i>	<i>VHF (recommended)</i>	<i>Minutes before start signal</i>	<i>Example time for Wednesday races</i>
Follow-me/ Check-in	'L' at full hoist;	"Welcome, racers"		
	'L' lowered, multiple short horn blasts		6	1759
Warning	Spin Class Flag Raised; 1 horn blast	"5, 4, 3, 2, "	5	1800
Preparatory	'P' raised; 1 horn blast	"Spin Prep"	4	1801
One-minute	'P' lowered; 1 long horn blast	"5, 4, 3, 2, "	1	1804
Starting	Spin Class Flag lowered; Non-Spin Racing Class Flag Raised 1 sound (gun or horn)	"5, 4, 3, 2, all clear"	0	1805
Preparatory	'P' raised; 1 horn blast	"Non-Spin Racing prep"	4	1806
One-Minute	'P' lowered; 1 long horn blast	"5, 4, 3, 2, "	1	1809
Starting	Non-Spin Racing Class Flag lowered; Non-Spin Cruising Class Flag raised 1 sound (gun or horn)	"5, 4, 3, 2, all clear"	0	1810
Preparatory	'P' raised; 1 horn blast	"Non-Spin Cruising prep"	4	1811
One-Minute	'P' lowered; 1 long horn blast	"5, 4, 3, 2, "	1	1814
Starting	Non-Spin Cruising Class Flag lowered 1 sound (gun or horn)	"5, 4, 3, 2, all clear"	0	

Common Signals

The meanings of visual and sound signals commonly used at HHSA are stated below. An arrow pointing up or down (↑ ↓) means that a visual signal is displayed or removed. A dot (●) means a sound; five dashes (-----) mean repetitive sounds; a long dash (—) means a long sound; empty parentheses () indicate no sound. When a visual signal is displayed over a class flag, the signal only applies to that class.

Starting Signals

Preparatory: Up - Four minutes until the class start. All boats in the class are considered racing. Down one minute before class start.

Non-Spinnaker Racing Class Warning: Up at the warning signal for the non-spinnaker class. Down with gun or horn for the start.

Non-Spinnaker Cruising Class Warning: Up at warning signal. Down with gun or horn for the start.

Spinnaker Class Warning: Up at warning signal. Down with gun or horn for the start.

L Flag: Afloat: Come within hail or follow this boat. Down with multiple sounds one minute before new start sequence.

Answering Pennant: Races not started are postponed. Start sequence to commence one minute after removal.

R Flag: When flown from the Committee Boat indicates that another race is planned. Down one minute before warning signal of next race.

Other Signals

Individual Recall: One or more boats were OCS. The flag is displayed until all boats have properly started or at the succeeding start's one-minute signal, whichever is first.

S Flag: Displayed with two sounds to indicate that course has been shortened.

General Recall: The entire class will be restarted. The warning signal will be one-minute after the flag is removed.

Y Flag: When displayed from the committee boat, wear a personal floatation device.

N Flag: Races started are abandoned. Return to starting area. Start sequence will commence one minute after removal, unless all racing is subsequently abandoned.

C Flag: Displayed with repetitive sounds to indicate a change of course.

HHSA Women's Regatta

Notice of Race

HERRINGTON HARBOUR SAILING ASSOCIATION

Saturday, June 26, 2021

Sanction #: N/A

Entry Due: Thursday, June 24, 2021

Entry Fee: N/A

Registration: Register via event registration page that will be set up on www.hhsa.org ("Event Calendar") or send intention to race and the following information to Eunice Lin: Skipper and owner name, boat name, boat make and model, owner/skipper club affiliation, PHRF rating, skipper's e-mail and cell phone number, and whether the boat plans to race Spinnaker or Non-Spinnaker.

Contact: Eunice Lin at (703) 336-7075 or eunicelin78@yahoo.com

Rules: The regatta will be governed by the rules as defined in The Racing Rules of Sailing (RRS), as amended by the Sailing Instructions.

Eligibility: The regatta is open to boats with crews made up solely of women. Boats are encouraged to have a current PHRF certificate. HHSA, the Organizing Authority, may assign a courtesy rating to boats without a certificate.

Rendezvous: A Skippers' meeting will be held at 0900, at the Herrington Harbour North Slip Holders' patio (near C Dock, next to the marina office). Rendezvous will be at approximately 1000 hours in the vicinity of HHSA "A" (see below for mark coordinates). Racing will take place on Herring Bay, MD. The Race Committee will display Code Flag Lima and move to a suitable nearby starting area.

Radio: Boats should monitor VHF 68 for courtesy communications from the Race Committee.

Start: Between orange flag on Race Committee signal boat and nearby inflatable mark.

Signals: RRS 26 (Starting Races) for the first race:

<i>Signal</i>	<i>Spinnaker</i>	<i>Non-Spinnaker</i>
Warning	1100	1105
Preparatory	1101	1106
One-minute	1104	1109
Start	1105	1110

Note: If entries warrant, there will be separate starts for Spinnaker and Non-Spinnaker (otherwise, there will be a single Non-Spinnaker start). The Non-Spinnaker Class also may be divided into NS-Racing and NS-Cruising classes, based on either PHRF rating or S/A ratio. In such event, both Non-Spinnaker classes will start together but will be scored separately. Class flags will be "6" for Spin and "5" for Non-Spin (single class or combined classes).

Course: Multiple races are planned. Courses will be either drop mark or a combination of government marks and HHSA club marks, as described in the event Sailing Instructions which will be posted on www.hhsa.org (Racing Page). The Race Committee will select a course from the HHSA Course Book (available on www.hhsa.org (Racing Page)) and will designate courses by displaying letters on boards hung from the side of the signal boat facing away from the starting line. If a subsequent race is anticipated, the Race Committee will raise Flag "R". The

starting sequence for subsequent races will begin one (1) minute after lowering Code Flag "R".

Finish: Between orange flag on a Race Committee signal boat (or other boat designated by Race Committee) and a nearby mark.

Scoring: Scoring will be Time-on-Time using PHRF ratings and the following formulae:

$$\text{Corrected time} = (\text{elapsed time}) \times (\text{time correction factor})$$
$$\text{TCF} = 650 / (550 + \text{PHRF rating})$$

Time Limit: In order for a race to qualify, the lead boat in each class must finish within 75 minutes of the start. Each boat must finish within 30 minutes of the first boat in its class or be scored as TLE. This modifies RRS 35.

Protests: Any boat intending to file a protest shall inform the Race Committee before departing the race area. Protests must be submitted in writing within 90 minutes of completion of the last race of the day. Protest hearings and arbitration meetings will be as soon as possible on the day of the regatta.

Social: We anticipate having a post-regatta social event, depending on the COVID situation. If an event is held, participants are invited to the shore party hosted at one of the Herrington Harbour Marinas. Overnight slips at either South or North marinas should be available to participants. Information on slips can be found at www.herringtonharbour.com. Please let them know you are with the Women's Regatta. Additional information will be provided in the Sailing Instructions or amendments thereto, which will be posted on www.hhsa.org by June 24, 2021.

Awards: 1st/3, 2nd/4 & 3rd/6+ finishers. Awards will be presented either at the post-regatta social event, at the HHSA Annual Banquet or mailed to winners. For HHSA boats, the results do not count towards High Point.

Other: By participation or entry into an event each boat owner/skipper agrees to abide by the RRS and HHSA Sailing Instructions for the HHSA event in which her boat participates. In consideration of being permitted to enter these events, being knowledgeable of the risks of competition sailing, and knowing that it is her sole responsibility to decide whether to enter and continue any race, each boat owner/skipper voluntarily assumes the risks of participation in these events and releases HHSA and the people conducting these events from all liability in connection with any injury or damage that may occur.

HHSA Marks: The following table shows approximate positions of HHSA marks. A more complete listing can be found in the HHSA Sailing Instructions and HHSA Course book (posted on www.hhsa.org (Racing Page)).

HHSA Sailing Instructions 2021

	An entrant list will be maintained on the HHSA web site racing page.
Rendezvous	Race Committee at HHSA A at approx. 1000 hours
Start	Between Committee Boat and HHSA A
Finish	In Galesville between the RC Flag on the Racing Platform at the end of Pirates Cove pier and the Orange/White marker, PCRC Mark "X"
Course	Leave to port: Can 83A, West River Bell G1, West River G1A In addition West River Markers 2, 3, 4, 5, and 6 plus the white shoal mark between Markers 3 and 5 shall be passed on the channel side. Approximately 13 nautical miles.
Scoring	Scoring will be Time-on-Time using PHRF Circular Random ratings and the following formulae: Corrected time = (elapsed time) x (time correction factor, TCF) $TCF = 650 / (550 + PHRF \text{ rating})$
Check In	Upon reaching the starting area and prior to the race, boats shall check in with the Race Committee by coming close and hailing. Keep radio usage to a minimum.
Time Qualifications	In order for the race to qualify, the lead boat in each class must finish within six hours of the class start. The Race Committee will stay on station until at least 90 minutes after the last class qualifies. Boats finishing after the Race Committee has left station shall take their own finish times and report their results to the Race Committee on the same day of the event. Boats retiring from the race after starting should notify the Race Committee via Channel 68, or text the HHSA Rear Commodore Racing (Michel Jichlinski) at 301-536-8040.
Protests	The protest time limit is 2 hours after racing has concluded for the day.
Awards	Awards will be presented at the HHSA Winter Banquet. For HHSA boats, counts towards High Point, and Commodore's Cup. See HHSA Racing Rules for details.
Social	Skippers, crew, and guests are invited to join a post race gathering in Galesville at a local restaurant to be announced.
Other	Amendments to the Sailing Instructions will be posted no later than Friday August 24 on the HHSA web site: hhsa.org .

WEST RIVER RACE SPECIAL INSTRUCTIONS

8.1 Handicaps for Cruising Boats

Cruisers will be assigned provisional PHRF handicaps by the Official Scorer or by the Rear Commodore/Racing after the race based on the PHRF of New England posted ratings.

8.2 Grounding - Rule 42.3(i)

To get clear after grounding, a boat may use force applied by a propulsion engine provided the boat does not gain a significant advantage in the race.

<p>Special Instructions</p>	<p>Races are for non-spinnaker boats. Double headsails are not permitted. Whisker poles are not permitted.</p> <p>After a boat has started, crew members wearing PFD's are allowed out of the cockpit only to sit on the rail or during a tack or a gybe to assist moving the headsail around the mast and standing rigging and skirt the headsail. Crewmembers shall not be standing outside the cockpit at any time except briefly to perform a necessary task.</p> <p>Headsail changes after a boat has started are not permitted. Reefing or un-reefing the mainsail after a boat has started is not permitted. Rolling/unrolling a roller furling headsail is permitted.</p> <p>At the discretion of the Race Committee, racing may not be conducted if there is heavy ice in either of the marinas or if the true wind speed is over 20 knots. The RC is encouraged to announce cancellations in advance on VHF Channel 68.</p> <p>Participating boats shall comply with PHRF of the Chesapeake Category 4 Special Safety Regulations.</p>
<p>Social</p>	<p>An informal gathering at a local restaurant after the race.</p>

Appendix A - SPECIAL INSTRUCTIONS FOR CRUISING CLASSES

Handicaps for Cruiser Racing

Cruisers will be assigned provisional PHRF handicaps at the skippers' meeting or by the Rear Commodore/Racing after the race unless a skipper can show a valid certificate.

Course Information

The day's race course will be selected from the HHS Course Book, copies of which are available for download from the HHS Racing website and upon request from the Rear Commodore/Racing.

The following table shows approximate positions of marks that are most often used in setting courses. A more complete listing can be found on the Racing website and in the HHS Course Book.

Mark	Latitude (N)	Longitude (W)	HHS
Herring Bay 1 (Green)	38° 44.433'	076° 30.838'	W

HHS Inflated Tetrahedron	Variable	Variable	U
HHS Inflated Cylinder	Variable	Variable	G

Racing Rules for Cruisers

Upon reaching the starting area and prior to the race, boats shall check in with the Race Committee by coming close and hailing. Note the race course marks displayed on sign boards on the committee boat lifelines on the side away from the starting line. Keep radio usage to a minimum, but monitor **VHF Channel 68** before and during the race.

Example Starting Sequence

<i>Signal</i>	<i>Flag & Sound</i>	<i>VHF</i>	<i>Example time race</i>
	'L' lowered, multiple short horn blasts		10:54
Warning	Class flag(s) raised; 1 horn blast	"5, 4, 3, 2, "	10:55
Preparatory	'P' raised; 1 horn blast	"Racers Prep"	10:56
One-minute	'P' lowered; 1 long horn blast	"5, 4, 3, 2, "	10:59
Starting	Class flag(s) lowered; 1 sound, next class flag raised	"5, 4, 3, 2, all clear"	11:00
Preparatory	'P' raised; 1 horn blast	"Cruiser Prep"	11:01
One-Minute	'P' lowered; 1 long horn blast	"5, 4, 3, 2, all clear"	11:04
Starting	Class flag lowered, 1 sound*	"5, 4, 3, 2, all clear"	11:05

* sound may be a horn blast or cannon fire

A boat must pass across the line between the committee boat's mast and the starting mark (inflatable mark or fixed mark such as HHS A) heading in the direction of the first mark of the course, as soon after the starting signal as possible.

Similarly at the finish, a boat must cross the line between the committee boat's mast and the finishing mark in the direction from the preceding mark of the course. The Race Committee will indicate a finish with a sound signal (horn or cannon).

Basic Right Of Way Rules

On opposite tacks, a boat on port tack (boom on starboard side of boat centerline) shall keep clear of a boat on starboard tack (boom on port side of boat centerline). It doesn't matter which side any head sail is on.

Note, the boats may not be sailing in the same direction, i.e., a port tack boat sailing upwind must yield to a starboard tack boat sailing downwind, and vice versa.

Note, downwind it is very easy to change tacks by simply switching the main from one side to the other.

On the same tack, overlapped (any portion of the following boat ahead of an imaginary line perpendicular to the leading boats transom), the boat to windward shall keep clear of the leeward boat:

Sailing downwind, leeward is defined as the side the boom is on, so two boats sailing dead downwind with booms on their port side (both on starboard tack), the boat to port would be the leeward boat and the boat to starboard must keep clear. Overlaps are often hard to judge. If there is doubt, assume one exists.

On the same tack, not overlapped, the boat clear astern shall keep clear of the boat clear ahead. Once an overlap is established then windward/leeward applies.

There is usually little to be gained sailing adjacent to another boat, so when given a choice, pass either three or more boats lengths to windward or leeward of another boat.

Always allow the give way boat room and time to respond. Hail the give way boat to give way.

Avoid collisions regardless of who has right-of-way.

Be especially careful at the start and rounding marks as this is where there are typically several boats sailing in close proximity.

All participants, racers and cruisers, are encouraged to fly the HHSA burgee, so that participants can be readily identified on the course.

2 Appendix B - SPECIAL INSTRUCTIONS FOR A RABBIT START

1. In the absence of an on-station Race Committee, the following replaces sections of the Sailing Instructions.
2. If the “Rabbit” has not been designated prior to the race, the “Rabbit” shall be a boat chosen among boats which are present at the rendezvous location. The "Rabbit" shall display the HHSA burgee on its backstay for identification.
3. There will be only one start for all boats, and it will be a “Rabbit Start”. The Rabbit Start is used to start a race to Windward in the absence of a Committee Boat. The Rabbit shall announce the course (Long or Short) for each class, and each class will be scored separately. The Rabbit shall serve as the check in boat and signal boat. All signals will be horn and/or radio. No visual signals will be used.
4. At approximately the time published in the Sailing Instructions (SI’s) for the Warning Signal, the Rabbit will pass the starting mark on a starboard course. The Rabbit shall proceed a distance to allow returning to the starting mark and heading off close hauled on port tack at approximately the start time published in the SIs. All boats must leave the starting mark to port and pass behind the Rabbit on starboard tack in order to start, as described in more detail below. The Rabbit shall record the time her transom passes the starting mark as the official race start time.

Position	Signal	Approx. Time	Sound	Rabbit’s Actions
1	Warning	Time as published in SI’s	1 sound	Pass in the immediate vicinity of the starting mark on a starboard tack beam reach which she maintains for about 2 minutes.
2		~+3 mins.		Tack or jibe; return to the starting mark on port tack beam reach
3	Start	~+5 mins.	1 sound	Pass the starting mark to port, sailing close hauled. Record the start time.
4	End of starting sequence	~+ 6 mins.		The Rabbit may tack to starboard at any time after all boats have crossed her stern, or after the Rabbit has crossed the bows of

				all boats, or any time later than 90 seconds after passing the starting mark.
--	--	--	--	---

5. The diagram below shows the sequence in a visual format

6. The starting line is the line between the port-end starting mark and the Rabbit's transom. A boat starts when it crosses the starting line while the Rabbit is on port tack. After starting, all boats shall remain on starboard tack until the Rabbit has tacked to starboard. A boat failing to start properly may do so by sailing to the approximate location the Rabbit tacked to starboard and make a turn – one tack and one gybe.
7. All times are approximate. The absence of a sound signal shall be disregarded. This modifies RRS 26.
8. Boats shall take their own finish times in accordance with HSA Racing Rules Section 8.B and 8.C and announce the time over VHF Channel 68 until acknowledged by the Rear Commodore (Racing) or another competitor. This modifies rule 8.B.
9. Finishing boats shall stay in the vicinity of the finish line until the boat behind them has finished and announced a finish time. The last boat to finish shall disregard this requirement.
