

THE FREEWHEELER

West Sound Cycling Club

Christmas Party, Dec 13

The last day to register for our annual Christmas Party is December 6th, giving Anna Moore, our caterer, a week's notice. Please register online by going to the WSCC website and click on the WSCC Holiday Party link provided. Select your entree of choice. You can pay the \$20 fee online or by mailing a check. When paying online be sure to log into Club Express first as a WSCC member to avoid a small service fee on your payment. Forty-one members have already registered!

The party will be in the Kingston Village Green Community Center. BYOB, and please bring a wrapped gift (of \$10 or less) for the white elephant gift exchange, if you want to participate in that.

The club owns three items we will sell through a silent auction - you can come early (5:30 - 6 pm) to inspect these and bid on them. They are: A BOB single-wheel bike trailer with waterproof dry Sak. A hard shell bike shipping box. A GoPro Hero HD camera with assorted attachments, including helmet mount and waterproof housing.

The Christmas party will be your last chance to get free "prior year" TdK t-shirts. Any left-over inventory will be donated to charity.

Upcoming

The next WSCC meeting is 6:30 pm February 14,

Valentines Day!

Come at the usual location United Way Kitsap, 647 4th St, Bremerton
NEW time: 6:30 pm,

The club will provide mulled wine and sparkling cider, as well as Valentines treats. You are invited to bring finger foods or appetizers to share, and don't forget to bring your Valentine.

Silverdale Cyclery will present their indoor smart trainer using Zwift technology.

HOW IT WORKS

Zwift translates your real world effort into speed in the digital one. Your power, measured by the watts you produce, propels you through the digital landscape.

Just like the real world, your speed is adjusted for your height, weight and the road gradient. We even give you credit for drafting.

Advocacy

The next Advocacy Committee meeting is **January 11th, 2018 at 7 pm**, Paul Dutky's house. We'll elect a chairman and plan next steps following the elections. We'll discuss a procedure to prioritize our proposals, and a plan to act strategically and politically.

Meetup.com

- West Sound Cycling club is moving from our online “Club Express” host site to **Meetup.com**. The transition should occur by the end of this year. You will need to join Meetup (it’s free) to learn about upcoming WSCC events, and to RSVP for those events. You’ll be able to see a list of those attending, and to comment about the ride before and after. Events are associated with an online photo album that you can easily upload photos to. Meetup will host the club’s calendar of events.
- When our transition to Meetup is complete, prospective members will be able to fill out a membership form electronically and forward it to the club. Membership dues will be payable by credit card online using “Quickbooks Payments”.

If you need help joining Meetup, let Bob know:

r.mathisrud@comcast.net. **If you are not a member of Meetup and are coming to the Christmas Party, we will help you join then.**

All up-to-date WSCC members must join the West Sound Cycling Meetup group to benefit fully from club offerings.
