## Kay, Prange win regatta

Skipper Natalie Kay and crew Delora Prange won the recent Bluechip Regatta held on Cedar Lake, winning the last race to clinch the championship.

The Bluechip is the culmination of the sailing season. Only the 30 best area skippers and crews are invited to attend.

The 30 sailors are picks from the top rankings of the Wisconsin Yachting Association, the National Inland Championship and other top regattas.

Kay and her crew had tied for first place at several major regattas this year. Natalie, a junior at Oconomowoc High School, also won the sailing championship on her home lake, Okauchee Lake, winning 10 of 18 races this season.
