We are particularly excited that we have been chosen by the University three times to receive the prestigious Alumni Club Award of Merit. This recognizes us as the leading alumni club across the globe.

There is something for everyone

In developing our calendar, we strive to create the most diverse programming possible. Whether you are looking for recreational, educational, sporting, cultural, or community service events, our club offers them all. We also work to deliver programming that appeals across the spectrum of the Penn community, including Penn parents, young alumni, and families. There truly is something for everyone.

We encourage you to become active in our club. Join a warm and welcoming Penn community. Are you looking for ways to become more involved? Let us know...we love to have new volunteers and are eager to try new things. Be a part of a great organization...you will get back so much.

Now is the time to join!
