

VIP Rides

Free rides with Volunteer Drivers

Do you need extra help:

- Such as a steady arm when walking or climbing stairs, or if visually impaired?
- Shopping (selecting items from a shelf, pushing cart, carrying packages)?
- With directional assistance (reading signs, asking for directions)?
- With a wheelchair after a Paratransit ride, or using a complimentary one at a hospital?

“Thank goodness for VIP Rides, or we wouldn’t make it to our doctor’s office.”

Maria and Lazlo, VIP Rides clients

VIP Volunteer Drivers:

- Are wonderful people who give back to the community
- Make a difference in a homebound senior’s life
- Provide free rides to the doctor or grocery store
- Are trained to provide destination assistance for those with vision, mobility, cognitive or other issues and who have no one else to help
- Go through a DMV records check and criminal background check
