Dear Darryl,

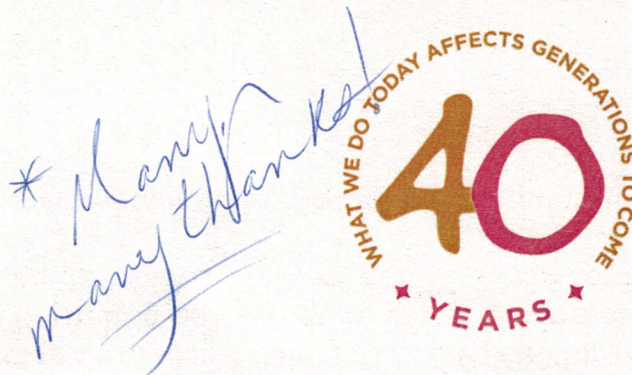

Thanks again for coming out for a tour of PB&J Family Services in the South Valley last month to learn more about the work we do as an agency, in all three of our sites. Maria and I enjoyed attending the February 26th meeting, having lunch while visiting with you and others, learning more about the Rotary and of course the surprise presentation of \$1,000 (Ck #5739, dated 2/26/13), which we have designated to our Bernalillo site! What an incredible investment in the families of Sandoval County and the surrounding pueblos who rely on PB&J for services.

PB&J is grateful to all Rotarians for their leadership and service in the community; in particular to the Rio Rancho Midday Rotary Club. During your visit you learned that there are many ways to donate and connect with PB&J. I'm open to any ideas you may have. Please extend our gratitude to each member and let them know that they and their families are always welcome at PB&J for a tour, to meet our families, volunteer or for anything they may need.

Darryl, thanks again to all of you for believing in our mission, projects, children and families! If you have any questions, you can reach me at 877-7060, or tanya@pbjfamilyservices.org.

In partnership in keeping children safe,

Tanya Otero-Villalobos
