

I Joined The Village In Howard because...

I am interested in staying in my home and meeting interesting older people with various background. Mary Ann

"Age in Place" is a good concept. I like to meet new friends. Jane

I like the community, and the assistance from other members. AT

To connect with people so we can sustain "Living in Place" Bob

I like the concept of reciprocity during the aging process, and I have discovered that warm and interesting people share my view. Ellin

I love the concept of older people working together to address the challenges in their lives. Kim

I joined for companionship and meeting smart, positive, and problem-solving people. Mary

I moved to MD six years ago. I joined to meet new friends of my age, and to explore the neighborhoods by going to events organized by TVIH. Joy

I feel compelled to tell you and others that TVIH has improved my quality of life. Catherine
