

***Our new  
Social Membership  
just may be right  
for you!***

We are excited to introduce a new option for Newton's older adults, the ***Social Membership***, designed for those who would like to have access to ***Newton at Home's*** numerous social events and programming, but who do not currently need more comprehensive transportation, shopping, handyman and other services offered through our full membership program.

Social members may attend all programs and events such as lectures, trips to museums and historical sites, and affinity groups. **Social Membership** fees are \$350 a year for an individual and \$475 a year for a household and may be converted to full memberships at any time. Annual membership fees for the **Social Membership** are tax deductible, except for \$50.

***Why a Social Membership?***

***It's about connections. It's about health and recreation. Make new friends or reconnect with old ones by attending a dining club event, discussing a book with the reading group, learning to knit, enjoying theater, visiting museums, and attending educational lectures.***

***Newton at Home offers an average of 8-10 social events each month. There is something for everyone!***
